Use of Proceeds: The Company intends to use the net proceeds of this offering, together with the net proceeds from loans under its Term Loan Facilities, to finance the Company’s purchase of Sky Shares from Sky shareholders who validly accept the Sky Offer, to settle a portion of its Market Purchases and to pay related fees and expenses. The Company has also made Market Purchases with cash on hand and the net proceeds from (i) the issuance of commercial paper, (ii) loans under its Term Loan Facilities and (iii) revolving loans drawn under its Revolving Credit Facility. This offering of Notes, which will close prior to the First Sky Settlement Date, is not conditioned on the occurrence of the First Sky Settlement Date.
