***A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.**

****Under Rule 15c6-1 of the Exchange Act, trades in the secondary market are required to settle in three business days, unless the parties to a trade expressly agree otherwise. Accordingly, purchasers who wish to trade notes on the date of pricing or the next business day will be required, by virtue of the fact that the notes initially will settle on the fifth business day following the pricing date (T+5), to specify alternative settlement arrangements to prevent a failed settlement.**
