This Base Prospectus replaces the base prospectus dated 27 September 2007 relating to the Programme and any supplements thereto.

The Notes may be issued in bearer or registered form (respectively **Bearer Notes** and **Registered Notes**). The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed €40,000,000,000 (or its equivalent in other currencies calculated as described herein), subject to increase as described herein. The payments of all amounts due in respect of Notes issued by Calyon Financial Products (Guernsey) Limited (**CFP**), Calyon Finance (Guernsey) Limited (**CFG**) and Calyon Financial Solutions (**CFS**) will be unconditionally and irrevocably guaranteed by CALYON (in such capacity, the **Guarantor**).

The Notes may be issued on a continuing basis to one or more of the Dealers specified under "*Summary of the Programme*" and any additional dealer appointed under the Programme from time to time by any Issuer (each a **Dealer** and together the **Dealers**), which appointment may be for a specific issue or on an ongoing basis. References in this Base Prospectus to the **relevant Dealer** shall, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to purchase such Notes.

Application has been made to the *Commission de Surveillance du Secteur Financier* (the **CSSF**) in its capacity as competent authority under Directive 2003/71/EC and the Luxembourg Act dated 10 July 2005 on prospectuses for securities (*loi relative aux prospectus pour valeurs mobilières*) for approval of this Base Prospectus where it constitutes a base prospectus (as described herein) and to the Luxembourg Stock Exchange for Notes issued under the Programme and during the period of 12 months from the date of this Base Prospectus to be admitted to trading on the Luxembourg Stock Exchange's regulated market and to be listed on the Official List of the Luxembourg Stock Exchange. The Luxembourg Stock Exchange's regulated market is a regulated market for the purposes of Directive 2004/39/EC.

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under "*Terms and Conditions of the Notes*") of Notes will be set out in final terms (the **Final Terms**).

The Programme provides that Notes may be listed or admitted to trading, as the case may be, on such other or further stock exchange(s) or markets as may be agreed between the relevant Issuer and the relevant Dealer. Application may also be made to have certain Notes issued under the Programme accepted for trading in the Private Offerings, Resales and Trading through Automated Linkages System (PORTAL) of the Financial Industry Regulatory Authority. The Issuers may also issue unlisted Notes and/or Notes not admitted to trading on any market.

Consent under the Control of Borrowing (Bailiwick of Guernsey) Ordinances, 1959 to 1989 has been obtained in relation to the issue of the Notes by CFP and CFG. Neither the Guernsey Financial Services Commission nor the Policy Council of the States of Guernsey takes any responsibility for the financial soundness of the arrangement or for the correctness of any of the statements made or opinions expressed herein with regard to CFP or CFG.

The Notes and the Guarantee (as defined under "*Summary of the Programme*") have not been and will not be registered under the U.S. Securities Act of 1933, as amended, (the **Securities Act**) and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons except to certain qualified institutional buyers in reliance on Rule 144A under the Securities Act, certain institutional accredited investors in reliance on Section 4(2) of the Securities Act and to certain persons in offshore transactions in reliance on Regulation S under the Securities Act. Prospective purchasers are hereby notified that sellers of the Notes and Guarantee may be relying on the exemption from the provisions of Section 5 of the Securities Act provided by Rule 144A. See "*Subscription and Sale*".

Each of CFP, CFG and CFS have not registered, and will not register, as an "investment company" under the U.S. Investment Company Act of 1940, as amended (the **Investment Company Act**). Accordingly, the Notes issued by CFP, CFG or CFS may only be offered, sold, resold, delivered or transferred within the United States, or to, or for the account or benefit of, U.S. persons, in compliance with the provisions of Section 39c(7) of the Investment Company Act.

Any Issuer may agree with any Dealer that Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event (in the case of Notes intended to be admitted to trading on the Luxembourg Stock Exchange's regulated market) a Supplement to the Base Prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

Prospective investors should be aware of the particular risks involved in investing in Notes (for a discussion of these risks see "Risk Factors"). In particular, prospective investors should be aware that certain Notes may be redeemed at below par and should be prepared to sustain a partial or total loss of their initial investment in the Notes.

Any person (an **Investor**) intending to acquire or acquiring any securities from any person (an **Offeror**) should be aware that, in the context of an offer to the public, the Issuer may be responsible to the Investor for the Base Prospectus, but only if the Issuer has authorised that Offeror to make the offer to the Investor. Each Investor should therefore enquire whether the Offeror is so authorised by the Issuer. If the Offeror is not authorised by the Issuer, the Investor should check with the Offeror whether anyone is responsible for the Base Prospectus in the context of the offer to the public, and, if so, who that person is. If the Investor is in any doubt about whether it can rely on the Base Prospectus and/or who is responsible for its contents it should take legal advice.

Neither this Base Prospectus nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer or invitation by or on behalf of the Issuers, the Guarantor or any Dealer to any person to subscribe for or to purchase any Notes.

Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and the regulations promulgated thereunder.

This Base Prospectus has not been submitted to the clearance procedures of the *Autorité des marchés financiers*.

This Base Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Base Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuers, the Guarantor and the Dealers do not represent that this Base Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular unless specifically indicated to the contrary in the applicable Final Terms, no action has been taken by the Issuers, the Guarantor or any Dealer which is intended to permit a public offering of any Notes or distribution of this document in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Base Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Base Prospectus or any Notes may come must inform themselves about, and observe, any such restrictions on the distribution of this Base Prospectus and the offering and sale of Notes. In particular, there are restrictions on the distribution of this Base Prospectus and the offer or sale of Notes in the United States, the European Economic Area (including the United Kingdom, France, Italy, Portugal and Spain), the Hong Kong Special Administrative Region of the People's Republic of China (**Hong Kong**), Japan, the People's Republic of China (**PRC**), the Philippines, Singapore, the Republic of Korea (*South Korea*) and the Republic of China (**Taiwan**) (see "*Subscription and Sale*").

This Base Prospectus has been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a Relevant Member State) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Base Prospectus as completed by final terms in relation to the offer of those Notes may only do so (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent

authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by final terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State and such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or final terms, as applicable. Except to the extent sub-paragraph (ii) above may apply, neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

For the avoidance of doubt, references herein of the Notes include the Guarantee, where applicable.

Registered Notes issued by CALYON may be offered or sold within the United States only to QIBs or to IAIs in transactions exempt from registration under the Securities Act. Registered Notes issued by CFP, CFG and CFS may be offered or sold within the United States only to QIBs who are, in each case, also QPs (as defined under "Form of the Notes") in transactions exempt from registration under the Securities Act that will not cause the relevant issuer to become required to register as an "investment company" under the Investment Company Act. Each U.S. purchaser of Registered Notes is hereby notified that the offer and sale of any Registered Notes to it may be made in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A under the Securities Act (**Rule 144A**).

Each purchaser or holder of Notes represented by a Rule 144A Global Note, a Definitive Registered Note (as defined under "Form of the Notes" or any Notes issued in registered form in exchange or substitution for a Rule 144A Global Note (together **Legended Notes**) will be deemed, by its acceptance or purchase of any such Legended Notes, to have made certain representations and agreements intended to restrict the resale or other transfer of such Notes as set out in "Subscription and Sale". NOTICE TO NEW HAMPSHIRE RESIDENTS

NEITHER THE FACT THAT A REGISTRATION STATEMENT OR AN APPLICATION FOR A LICENSE HAS BEEN FILED UNDER CHAPTER 421-B OF THE NEW HAMPSHIRE REVISED STATUTES WITH THE STATE OF NEW HAMPSHIRE NOR THE FACT THAT A SECURITY IS EFFECTIVELY REGISTERED OR A PERSON IS LICENSED IN THE STATE OF NEW HAMPSHIRE CONSTITUTES A FINDING BY THE SECRETARY OF STATE OF NEW HAMPSHIRE THAT ANY DOCUMENT FILED UNDER CHAPTER 421-B IS TRUE, COMPLETE AND NOT MISLEADING. NEITHER ANY SUCH FACT NOR THE FACT THAT AN EXEMPTION OR EXCEPTION IS AVAILABLE FOR A SECURITY OR A TRANSACTION MEANS THAT THE SECRETARY OF

STATE HAS PASSED IN ANY WAY UPON THE MERITS OR QUALIFICATIONS OF, OR RECOMMENDED OR GIVEN APPROVAL TO, ANY PERSON, SECURITY OR TRANSACTION. IT IS UNLAWFUL TO MAKE, OR CAUSE TO BE MADE, TO ANY PROSPECTIVE PURCHASER, CUSTOMER OR CLIENT ANY REPRESENTATION INCONSISTENT WITH THE PROVISIONS OF THIS PARAGRAPH.

AVAILABLE INFORMATION

To permit compliance with Rule 144A in connection with any resales or other transfers of Notes and any Guarantee thereof that are "restricted securities" within the meaning of the Securities Act, each Issuer has undertaken in a deed poll dated 30 July 2004 (the **Deed Poll**) to furnish, upon the request of a holder of such Notes or any beneficial interest therein, to such holder or to a prospective purchaser designated by him, the information required to be delivered under Rule 144A(d)(4) under the Securities Act if, at the time of the request, such Issuer is neither subject to and in compliance with Section 13 or 15(d) of the U.S. Securities Exchange Act of 1934, as amended (the **Exchange Act**) nor exempt from reporting pursuant to Rule 12g3-2(b) thereunder.

A copy of the information so furnished will be available free of charge from the specified office of the Principal Paying Agent and, for Notes admitted to trading on the Luxembourg Stock Exchange's regulated market, from the specified office in Luxembourg of the Luxembourg Listing Agent (as defined below).

SERVICE OF PROCESS AND ENFORCEMENT OF CIVIL LIABILITIES

CALYON and CFS are corporations organised under the laws of France. CFP and CFG are corporations organised under the laws of Guernsey. All of the officers and directors named herein reside outside the United States and all or a substantial portion of the assets of the Issuers and the Guarantor and of such officers and directors are located outside the United States. As a result, it may not be possible for investors to effect service of process outside France or Guernsey, as the case may be, upon the Issuers, the Guarantor or such persons, or to enforce judgments against them obtained in courts outside France or Guernsey, as the case may be, predicated upon civil liabilities of the Issuers, the Guarantor or such directors and officers under laws other than the laws of France or Guernsey, as the case may be, including any judgment predicated upon United States federal securities laws.

In an original action brought in France predicated solely upon the US federal securities laws, French courts may not have the requisite jurisdiction to adjudicate such action. Actions for enforcement of judgments of US courts rendered against the French persons referred to in the preceding paragraph would require such French persons to waive their right under Article 15 of the French Civil Code to be sued in France only. CALYON believes that no such French persons have waived such right with respect to actions predicated solely upon US federal securities laws.

STABILISATION

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes.

This summary must be read as an introduction to this Base Prospectus and any decision to invest in any Notes should be based on a consideration of this Base Prospectus as a whole, including the documents incorporated by reference. Following the implementation of the Prospectus Directive in each Member State of the European Economic Area no civil liability will attach to the Responsible Persons in any such Member State in respect of this Summary, including any translation hereof, unless it is misleading, inaccurate or inconsistent when read together with the other parts of this Base Prospectus. Where a claim relating to information contained in this Base Prospectus is brought before a court in a Member State of the European Economic Area, the plaintiff may, under the national legislation of the Member State where the claim is brought, be required to bear the costs of translating the Base Prospectus before the legal proceedings are initiated.

Risk Factors: There are certain factors that may affect the Issuers' ability to fulfil their obligations under Notes issued under the Programme. As a consequence of CALYON's business, the main risk factors which may affect it in its capacity as Issuer and/or as Guarantor (which may affect its ability to fulfil its obligation as Guarantor under the Guarantee) are the counterparty risks mainly generated by its financing activities and the market risks due to its capital markets activities. In addition, there are certain factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme. These are set under "*Risk Factors*" and include the fact that the Notes may not be a suitable investment for all investors, certain risks relating to the structure of particular series of Notes and certain market risks.

Under the Luxembourg Law on Prospectuses for Securities which implements the Prospectus Directive, prospectuses for the listing of money market instruments having a maturity at issue of less than 12 months and complying also with the definition of securities are not subject to the approval provisions of such law and do not need to be approved by the CSSF.

The applicable Final Terms may provide that Notes may be redeemable in two or more instalments of such amounts and on such dates as are indicated in the applicable Final Terms.

or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Directive will be €1,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency). Unless otherwise set forth in the applicable Prospectus or Final Terms, Definitive Registered Notes will be issued only in minimum denominations of U.S.\$500,000 and integral multiples of U.S.\$1,000 in excess thereof (or the approximate equivalents in the applicable Specified Currency).

All payments in respect of the Notes will be made without deduction for or on account of withholding taxes imposed by any Tax Jurisdiction, subject as provided in Condition 11. The obligations of the Guarantor under the Guarantee will be direct, unconditional and (subject to the provisions of Condition 3) unsecured obligations of the Guarantor and will rank *pari passu* and (save for certain obligations required to be preferred by law) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Guarantor.

Illegality and Force Majeure: The applicable Final Terms may provide that the relevant Issuer has the right to terminate the Notes in the case of illegality or force majeure.

Rating: Certain series of Notes issued under the Programme may be rated or unrated. Where an issue of Notes is rated, its rating will not necessarily be the same as the rating applicable to the long term debt of the relevant Issuer or the Guarantor (as applicable). A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency. Where an issue of Notes is rated, the rating may be specified in the applicable Final Terms.

The current ratings for CALYON are as follows:

Rating Agency	Short Term Debt	Senior Long-Term Debt
---------------	-----------------	-----------------------

Fitch Ratings	F1 +	AA-
Moody's	Prime-1	Aa1
Standard & Poor's	A-1 +	AA -

All these ratings have a stable outlook. These short and long-term debt ratings covering CALYON's debt obligations are subject to change and CALYON undertakes no responsibility to update or notify anyone of any changes to the ratings of its short or long-term debt obligations. CFG, CFP and CFS do not have ratings.

Approval, Listing and Admission to trading: Application has been made to the CSSF to approve this document as a base prospectus. Application has also been made to the Luxembourg Stock Exchange for Notes issued under the Programme to be admitted to trading on the Luxembourg Stock Exchange's regulated market and to be listed on the Official List of the Luxembourg Stock Exchange.

Notes may be listed or admitted to trading, as the case may be, on other or further stock exchanges or markets agreed between the Issuer and the relevant Dealer in relation to the Series. Notes which are neither listed nor admitted to trading on any market may also be issued.

The applicable Final Terms will state whether or not the relevant Notes are to be listed and, if so, on which stock exchange(s).

Governing Law: The Notes will be governed by, and construed in accordance with, English law.

Selling Restrictions: There are restrictions on the offer, sale and transfer of the Notes generally and specifically in the United States, the European Economic Area (including the United Kingdom, France, Italy, Portugal, and Spain), Hong Kong, Japan, PRC, The Philippines, Singapore, South Korea and Taiwan and such other restrictions as may be required in connection with the offering and sale of a particular Tranche of Notes, see "*Subscription and Sale*".

Regulation S/TEFRA: CALYON is a Category 2 issuer for purposes of Regulation S under the Securities Act.

Issues of Bearer Notes with an original maturity of more than one year may be issued under TEFRA C or TEFRA D for the purposes of U.S. Treasury Regulations.

Notes in registered form may be issued to QIBs under Rule 144A under the Securities Act or to IAIs in private transactions exempt from the registration requirements of the Securities Act (and that, in the case of Notes issued by CFP, CFG or CFS, are also QPs (QIBs, IAIs and QPs, as defined under "*Form of the Notes*" herein)) in certain circumstances as more fully described in "*Form of the Notes*" below.

RISK FACTORS

Each of the Issuers and the Guarantor believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. Many of these factors are contingencies which may or may not occur and none of the Issuers nor the Guarantor is in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Each of the Issuers and the Guarantor believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the relevant Issuer or the Guarantor to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons (i) which may not be considered significant risks by the Issuers and the Guarantor based on information currently available to them or (ii) which they may not currently be able to anticipate. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and reach their own views prior to making any investment decision.

Factors that may affect CALYON's ability to fulfil its obligations under Notes issued under the Programme or to fulfil its obligations under the Guarantee

Such factors are set out at pages 67 to 89, 134 to 145 and 164 of CALYON's Shelf-Registration Document 2007 incorporated herein by reference (see "*Documents Incorporated by Reference*").

Factors that may affect CFG's, CFP's or CFS ability to fulfil its obligations under Notes issued under the Programme

CFG's, CFP's and CFS financial instruments, other than derivatives, comprise money market assets (loans to the parent company) and debt securities issued.

CFG, CFP and CFS also enter into derivatives transactions (principally swaps and options).

Risk management

CFG, CFP and CFS management regard the monitoring and controlling of risk as a fundamental part of the management process and accordingly involves its most senior staff in developing risk policy and in monitoring its application. The evaluation of the risks inherent in CFG, CFP and CFS activities and the development of policies and procedures to control them is carried out by the Boards of Directors or senior management.

Credit risk

Credit risk is the risk that a customer or counterparty will be unable or unwilling to meet a commitment that it has entered into with CFG, CFP or CFS (as the case may be). CFG, CFP and CFS manage their credit risk through transacting only with their parent company or other group companies.

Liquidity risk

Liquidity risk is the risk that CFG, CFP or CFS (as the case may be) will encounter difficulty in realising assets or otherwise raising funds to meet commitments. CFG, CFP and CFS perfectly hedge the issue of debt securities through the loans to their parent company which match in all respects the issued debt.

Interest rate risk

Exposure to interest rate risk is the risk that arises when there is an imbalance between rate and non-rate sensitive assets, liabilities and off balance sheet items. CFG, CFP and CFS policy is to maintain the interest rate at a nil level.

Foreign currency risk

Foreign currency risk is the risk that the value of a financial instrument will fluctuate because of changes in foreign exchange rates. CFG, CFP and CFS foreign exchange exposure arises from issuing debt in currencies other than Euro. CFG, CFP and CFS policy is to hedge against foreign exchange risks by engaging in exchange rate swaps with their parent company.

Consideration of the above risk factors should also allow for the fact that (i) CFG, CFP and CFS systematically hedge themselves with appropriate hedging instruments or contracts, all contracted with CALYON acting as hedge counterparty, and (ii) CALYON through the Guarantee, takes the commitment to substitute itself for CFG, CFP or CFS if, for any reason, one or both of these would be unable to fulfil its payment obligations under Notes issued under the Programme.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

The Notes may not be a suitable investment for all investors

The purchase of the Notes may involve substantial risks and is suitable only for sophisticated investors who have the knowledge and experience in financial and business matters necessary to enable them to evaluate the risks and the merits of an investment in the Notes. Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes

will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Notes subject to optional redemption by the relevant Issuer

An optional redemption feature of Notes is likely to limit their market value. During any period when the relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The relevant Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Credit Linked Notes

Credit Linked Notes differ from ordinary debt securities in that the amount of principal and/or interest payable by the relevant Issuer is dependent on whether any Credit Event(s) have occurred and that payments upon redemption (whether at maturity or earlier) may be linked to the value of the Reference Obligation(s) including, if applicable, the value of any related underlying hedging arrangements (which may include interest rate or cross-currency swaps) and that this may be less than the full amount of investors' initial investment and result in investors not receiving repayment of all or any of their initial investment in Credit Linked Notes.

The likelihood of a Credit Event occurring with respect to a Reference Entity, will generally fluctuate with, among other things, the financial condition of the Reference Entity, the general economic conditions, the condition of certain financial markets, political events, developments or trends in any particular industry and changes in prevailing interest or foreign exchange rates. The historical experience of obligors and assets comparable to a Reference Entity is not necessarily indicative of the risk of Credit Events occurring with respect to any Reference Entity.

Corporate actions of any Reference Entities (for example, merger or demerger) or the repayment or transfer of indebtedness of the Reference Entities may adversely affect the value of the Notes. Factual situations may arise in which the views of market participants and/or legal counsel may differ as to how the contractual terms of market standard credit default swaps, and corresponding provisions of the Notes, should be interpreted, or in which such contractual terms and such provisions may operate in a manner contrary to the expectations of market participants and/or adversely to the interests of holders of the Notes.

The Issuer will have discretion in determining when and whether to trigger redemption of the Notes on the basis of a Credit Event. It will exercise such discretion in the interests of itself and its affiliates, and not in the interests of investors. Information relating to Credit Events may be derived from private and public sources which may or may not be accessible to all Noteholders.

The Issuer will have discretion in selecting the Deliverable Obligations following the occurrence of a Credit Event, subject to, amongst other things, compliance with the applicable Deliverable Obligation Category and Deliverable Obligation Characteristics. In exercising such discretion, it will select for such purpose eligible obligations having the lowest possible market value, resulting in an increased loss for holders of the Notes.

In certain circumstances – for example where a potential Credit Event occurs and has not been cured as at the scheduled maturity of the Notes, the maturity of the Notes will be extended without compensation to the investors. The period of such deferral may be significant.

When buying First-to-Default Credit Linked Notes, the more diversified the portfolio of Reference Entities, the more likely that a Credit Event will occur to one of the Reference Entities, increasing the risk to the investor (i.e. the more Reference Entities there are, and the less they are correlated, the more the risk profile of the portfolio increases).

None of the Issuers, the Guarantor, the Arranger or any of their respective affiliates makes in respect of Credit Linked Notes any representation as to the credit quality of any Reference Entity. Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to a Reference Entity, its respective affiliates or any guarantors, that is or may be material in the context of Credit Linked Notes. The issue of Credit Linked Notes will not create any obligation on the part of any such persons to disclose to the Noteholders or any other party such information (whether or not confidential).

Each of the Issuers, the Guarantor, the Arranger or their respective affiliates may deal with and engage generally in any kind of commercial or investment banking or other business with any Reference Entity, its respective affiliates or any guarantor or any other person or entity having obligations relating to any Reference Entity or its respective affiliates or any guarantor in the same manner as if any Credit Linked Notes issued under the Programme did not exist, regardless of whether any such action might have an adverse effect on a Reference Entity, any of its respective affiliates or any guarantor.

Commodity Linked Notes

Commodity Linked Notes differ from ordinary debt securities in that the amount of principal and/or interest payable by the relevant Issuer upon redemption (whether at maturity or earlier) will be linked to the market value of the Commodity at such time and may be less than the full amount of investors' initial investment and result in investors not receiving repayment of all or any of their initial investment in Commodity Linked Notes.

Equity Linked Notes and GDR/ADR Linked Notes

Equity Linked Notes and GDR/ADR Linked Notes differ from ordinary debt securities in that the amount of principal and/or interest payable by the relevant Issuer upon redemption (whether at maturity or earlier) will be linked to the market value of the underlying security(ies) at such time and may be less than the full amount of investors' initial investment and result in investors not receiving repayment of all or any of their initial investment in Equity Linked Notes and/or GDR/ADR Linked Notes.

Index Linked Notes and Dual Currency Notes

The relevant Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a **Relevant Factor**). In addition, the relevant Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;

- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Index Linked Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk entailed by an investment in any Index Linked Notes and the suitability of such Notes in the light of its particular circumstances.

Index Linked Notes are not in any way sponsored, endorsed, sold or promoted by the sponsor of the relevant Index(ices) (the **Sponsor**) and the Sponsor(s) make(s) no warranty or representation whatsoever, express or implied, either as to the results to be obtained from the use of the Index(ices) and/or the figure at which the Index(ices) stands at any particular time on any particular day or otherwise. The Sponsor(s) shall not be liable (whether in negligence or otherwise) to any person for any error in the Index(ices) and the Sponsor(s) shall not be under any obligation to advise any person of an error therein.

Fund Linked Notes

Each Issuer may issue Notes where the amount of principal and/or interest payable are dependent upon the price or changes in the price of units or shares in a fund or funds or, depending on the price or changes in the price of units or shares in such fund or funds, the relevant Issuer's obligation on redemption is to deliver a specified amount of Fund Shares. Accordingly an investment in Fund Linked Notes may bear similar market risks to a direct fund investment and potential investors should take advice accordingly.

Prospective investors in any such Notes should be aware that depending on the terms of the Fund Linked Notes (i) they may receive no or a limited amount of interest, (ii) payment of principal or interest or delivery of any specified Fund Shares may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment. In addition, the movements in the price of units, shares or interests in the fund or funds may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant price of the units or shares in the fund or funds may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the price or prices of the units, shares or interests in the fund or funds, the greater the effect on yield.

If the amount of principal and/or interest payable are determined in conjunction with a multiplier greater than one or by reference to some other leverage factor, the effect of changes in the price of the units or shares of the fund or funds on principal or interest payable will be magnified.

The market price of such Notes may be volatile and may depend on the time remaining to the redemption date and the volatility of the price of units or shares in the fund or funds. The price of units or shares in a fund may be affected by the economic, financial and political events in one or more jurisdictions, including factors affecting the exchange(s) or quotation system(s) on which any units in the fund or funds may be traded. In addition, the price of units or shares in a fund may be affected by the performance of the fund service providers, and in particular the investment adviser.

Prospective investors should review carefully the prospectus, information memorandum and/or offering circular (if any) issued by any relevant fund before purchasing any Notes. None of the Issuer, the Guarantor (if applicable), any affiliate of the Issuer or Guarantor (if applicable) or the Calculation Agent make any

representation as to the creditworthiness of any relevant fund or any such fund's administrative, custodian, investment manager or adviser.

Partly-paid Notes

The relevant Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the relevant Issuer has the right to effect such a conversion, this rate will affect the secondary market and the market value of the Notes since the relevant Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the relevant Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the relevant Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Modification

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependant upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on payment made by a Paying Agent the Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

Change of law

The conditions of the Notes are based on English law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of this Base Prospectus.

Notes where denominations involve integral multiples: definitive Notes

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If definitive Notes are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes.

Exchange rate risks and exchange controls

The relevant Issuer will pay principal and interest on the Notes and the Guarantor will make any payments under the Guarantee in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Notes.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Legal investment considerations may restrict certain investments

Independent Review and Advice

In particular, each prospective purchaser of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes (i) is fully consistent with its (or if it is acquiring the Notes in a fiduciary capacity, the beneficiary's) financial needs, objectives and condition, (ii) complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it (whether acquiring the Notes as principal or in a fiduciary capacity) and (iii) is a fit, proper and suitable investment for it (or if it is acquiring the Notes in a fiduciary capacity, for the beneficiary), notwithstanding the clear and substantial risks inherent in investing in or holding the Notes. Potential investors should consult with their own tax, legal, accounting and/or financial advisors before considering investing in the Notes.

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

No Reliance

A prospective purchaser may not rely on the Issuers, the Guarantor, the Arranger or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above. None of the Issuers, the Guarantor, the Arranger or any of their respective

affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective purchaser of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective purchaser with any law, regulation or regulatory policy applicable to it.

Restrictions on Transfer

Notwithstanding the lawfulness of any acquisition of the Notes, sales or transfers of Notes that would cause the CFP, CFG or CFS to be required to register as an "investment company" under the Investment Company Act will be prohibited and treated by the relevant Issuer or, as the case may be, the Registrar as void *ab initio* and will not be honoured by the relevant Issuer and the relevant Issuer will have the right at any time, at the expense and risk of the holder of the Notes held by or on behalf of a U.S. person who is not a qualified purchaser at the time it purchases such Notes, (i) to redeem such Notes, in whole or in part, to permit such Issuer to avoid registration under the Investment Company Act or (ii) to require such holder to sell such Notes to a QIB that is a QP in accordance with Rule 144A or to a non-U.S. person outside the United States in accordance with Regulation S. See "*Subscription and Sale*".

Disclaimers

Each type of structured Note will be issued subject to express disclaimers in respect of the risks involved in investing in such Notes. The text of such disclaimers will be set out in full in the applicable Final Terms.

Gross-up

The Notes will not have the benefit of a gross-up provision in respect of withholding taxes unless specifically provided in the applicable Final Terms. Where a gross-up does not apply investors will take the risk of any withholding taxes.

GENERAL DESCRIPTION OF THE PROGRAMME

The programme is a €40,000,000,000 Structured Euro Medium Term Note Programme under which any Issuer may from time to time issue Notes including, without limitation, Credit Linked Notes, Commodity Linked Notes, Equity Linked Notes, Fund Linked Notes, Index Linked Notes and other structured Notes in accordance with and subject to all applicable laws and regulations and denominated in any currency, subject as set out herein. The applicable terms of any Notes will be agreed between the relevant Issuer and the relevant Dealer prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, attached to, or incorporated by reference into, the Notes, as modified and supplemented by the applicable Final Terms attached to, or endorsed on, such Notes, as more fully described under "*Form of the Notes*" below.

FORM OF THE NOTES

Each Tranche of Notes will be in either bearer form, with or without interest coupons attached, or registered form, without interest coupons attached. Bearer Notes will be issued outside the United States in reliance on Regulation S under the Securities Act (**Regulation S**) and Registered Notes will be issued both outside the United States in reliance on the exemption from registration provided by Regulation S and within the United States in reliance on Rule 144A or Section 4(2) of the Securities Act.

Bearer Notes

Each Tranche of Notes will be in bearer form and will be initially issued in the form of a temporary global note (a **Temporary Bearer Global Note**) or, if so specified in the applicable Final Terms, a permanent global note (a **Permanent Global Note**) which, in either case, will:

- (i) if the Global Notes are intended to be issued in new global note (NGN) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the **Common Safekeeper**) for Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking, *société anonyme* (**Clearstream, Luxembourg**); and
- (ii) if the Global Notes are not intended to be issued in NGN Form, be delivered on or prior to the original issue date of the Tranche to a common depositary (the **Common Depositary**) for, Euroclear and Clearstream, Luxembourg.

Whilst any Bearer Note is represented by a Temporary Bearer Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made (against presentation of the Temporary Bearer Global Note if the Temporary Global Note is not intended to be issued in NGN form) only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Bearer Note are not U.S. persons or persons who have purchased for resale to any U.S. person, as required by U.S. Treasury regulations, has been received by Euroclear and/or Luxembourg and Euroclear and/or Clearstream, Luxembourg, as applicable, has given a like certification (based on the certifications it has received) to the Principal Paying Agent.

On and after the date (the **Exchange Date**) which is 40 days after a Temporary Bearer Global Note is issued, interests in such Temporary Bearer Global Note will be exchangeable (free of charge) upon a request as described therein either for (i) interests in a Permanent Bearer Global Note of the same Series or (ii) if so provided in the applicable Final Terms, for definitive Bearer Notes (**Definitive Bearer Notes**) of the same Series with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Final Terms and subject, in the case of Definitive Bearer Notes, to such notice period as is specified in the applicable Final Terms), in each case against certification of beneficial ownership as described above unless such certification has already been given, provided that purchasers in the United States and certain U.S. persons will not be able to receive definitive Bearer Notes. The holder of a Temporary Bearer Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Bearer Global Note for an interest in a Permanent Bearer Global Note or for Definitive Bearer Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Bearer Global Note will be made through Euroclear and/or Clearstream, Luxembourg (against presentation or surrender (as the case may be) of the Permanent Bearer Global Note if the Permanent Global Note is not intended to be issued in NGN form) without any requirement for certification.

The applicable Final Terms will specify that a Permanent Bearer Global Note will be exchangeable (free of charge), in whole but not in part, for Definitive Bearer Notes with, where applicable, receipts, interest coupons and talons attached only upon the occurrence of an Exchange Event. For these purposes, **Exchange Event** means that (i) an Event of Default (as defined in Condition 13) has occurred and is continuing, (ii) the

relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available or (iii) the relevant Issuer has or will become subject to adverse tax consequences which are as a result of legislative changes in the domicile of the relevant Issuer and which would not be suffered were the Notes represented by Notes in definitive form. The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 17 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Bearer Global Note) may give notice to the Principal Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the relevant Issuer may also give notice to the Principal Paying Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Principal Paying Agent.

When appropriate, the following legend will appear on all Bearer Notes which have an original maturity of more than 365 days and on all receipts and interest coupons relating to such Bearer Notes:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes, receipts or interest coupons.

Notes which are represented by a Bearer Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear or Clearstream, Luxembourg, as the case may be.

Registered Notes

The Registered Notes of each Tranche offered and sold in reliance on Regulation S, which will be sold to non-U.S. persons outside the United States, will initially be represented by a global note in registered form (a **Regulation S Global Note**). Beneficial interests in a Regulation S Global Note may not be offered or sold to, or for the account or benefit of, a U.S. person save as otherwise provided in Condition 1(c) and may not be held otherwise than through Euroclear or Clearstream, Luxembourg and such Regulation S Global Note will bear a legend regarding such restrictions on transfer.

The Registered Notes of each Tranche issued by CALYON may only be offered and sold in the United States or to, or for the account or benefit of, U.S. persons in private transactions to "qualified institutional buyers" within the meaning of Rule 144A under the Securities Act (**QIBs**) or institutional "accredited investors" as defined in Rule 501(a)(1), (2), (3) or (7) under the Securities Act (**IAIs**). The Registered Notes of each Tranche issued by CFP, CFG or CFS may only be offered and sold in the United States or to, or for the account or benefit of, U.S. persons in private transactions to QIBs or IAIs who, in each case, are also "qualified purchasers" as defined in Section 2(a)(51) of the Investment Company Act and the rules thereunder (**QPs**). The Registered Notes of each Tranche sold to QIBs or QIBs who are also QPs, as applicable, will be represented by a global note in registered form (a **Rule 144A Global Note** and, together with a Regulation S Global Note, the **Registered Global Notes**).

The Registered Notes of each Tranche sold to IAIs will be represented by Registered Notes in definitive form, registered in the name of the holder thereof (**Definitive Registered Notes**) only. Unless otherwise set forth in the applicable Prospectus or Final Terms, Definitive Registered Notes will be issued only in minimum denominations of U.S.\$500,000 and integral multiples of U.S.\$1,000 in excess thereof (or the approximate equivalents in the applicable Specified Currency). Definitive Registered Notes will be subject

to the restrictions on transfer set forth therein and will bear the restrictive legend described under "Subscription and Sale". Transfers of Definitive Registered Notes will be subject to receipt by the Registrar of a duly executed Investment Letter from the transferee. Transferees acquiring the Notes in a transaction exempt from Securities Act registration pursuant to Regulation S may take delivery of such Notes as an interest in a Regulation S Global Note (if available).

Registered Global Notes will either (i) be deposited with a custodian (the **Custodian**) for, and registered in the name of a nominee of, DTC and in the case of a Regulation S Global Note, for the accounts of Euroclear and Clearstream, Luxembourg or (ii) be deposited with a common depository for, and registered in the name of a common nominee of, Euroclear and Clearstream, Luxembourg, as specified in the applicable Final Terms. Persons holding beneficial interests in Registered Global Notes will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of definitive Notes in fully registered form.

The Rule 144A Global Notes and the Definitive Registered Notes will be subject to certain restrictions on transfer set forth therein and will bear a legend regarding such restrictions.

Payments of principal, interest and any other amount in respect of the Registered Global Notes will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in Condition 6(d)) as the registered holder of the Registered Global Notes. None of the Issuers, the Guarantor, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form, including, for the avoidance of doubt, Definitive Registered Notes, will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 6(d)) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Registered Notes without receipts, interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes, **Exchange Event** means that (a) an Event of Default (as defined in Condition 13) has occurred and is continuing, (b) in the case of Notes registered in the name of a nominee for DTC, either DTC has notified the relevant Issuer that it is unwilling or unable to continue to act as depository for the Notes and no alternative clearing system is available or DTC has ceased to constitute a clearing agency registered under the Exchange Act, (c) in the case of Notes registered in the name of a nominee for a common depository for Euroclear and Clearstream, Luxembourg, the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available or (d) the relevant Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Registered Global Note in definitive form. The relevant Issuer will promptly give notice to Noteholders in accordance with Condition 17 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, DTC, Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Registered Global Note) may give notice to the Registrar requesting exchange and, in the event of the occurrence of an Exchange Event as described in (d) above, the relevant Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur not later than 10 days after the date of receipt of the first relevant notice by the Registrar.

Dematerialised Notes

If so specified in the applicable Final Terms and for the purpose of allowing clearing of Notes in alternative clearing systems, any series, other than series comprising Registered Notes to be sold to IAIs, may, in full but not in part, be issued in uncertificated and dematerialised book-entry form (**Dematerialised Notes**) in

accordance with all applicable laws of the relevant jurisdiction of such alternative clearing system and the rules and regulations of such alternative clearing system (**Local Clearing System Rules**).

Notes designated as "*Swedish Notes*" in the applicable Final Terms (**Swedish Notes**) will constitute Dematerialised Notes issued in uncertificated and dematerialised book-entry form in accordance with the Swedish Financial Instruments Accounts Act (*Sw. lag (1998:1479) om kontoföring av finansiella instrument*) and all other applicable Swedish laws, regulations and operating procedures applicable to and/or issued by the Swedish central securities depository (*Sw. central värdepappersförvarare*) from time to time (the **Swedish CSD Rules**) designated as the relevant clearing system for the Swedish Notes in the relevant Final Terms (which is expected to be VPC AB) (the **Swedish CSD**). No physical global or definitive notes or certificates will be issued in respect of Swedish Notes other than as provided below and the provisions relating to presentation, surrender or replacement of such physical bearer instruments shall not apply. Payments of principal, interest (if any) or any other amounts on any Swedish Note will be made through the Swedish CSD in accordance with the Swedish CSD Rules.

Notes designated as "*Norwegian Notes*" in the applicable Final Terms (**Norwegian Notes**) will be issued in uncertificated and dematerialised book-entry form in accordance with the Norwegian Securities Register Act (in Norwegian: *lov om registrering av finansielle instrumenter av 1997 19. juni nr. 79*). The Norwegian Notes shall be regarded as Notes represented by global notes for the purposes of the Terms and Conditions of the Notes save to the extent the otherwise is specified in the Terms and Conditions of the Notes or the relevant Terms and Conditions of the Notes are inconsistent with Norwegian laws, regulations and operating procedures applicable to and/or issued by the relevant Norwegian central securities depository (in Norwegian: *verdipapirregister*) from time to time (the **Norwegian CSD Rules**) designated as relevant clearing system for the Norwegian Notes in the relevant Final Terms (which is expected to be Verdipapirsentralen ASA (**VPS**)) (the **Norwegian CSD**). No physical global or definitive notes or certificates will be issued in respect of Norwegian Notes and the provisions relating to presentation, surrender or replacement of such bearer instruments shall not apply.

When appropriate, the following legend will apply in respect of all Dematerialised Notes which have an original maturity of more than 365 days and on all payments relating to such Dematerialised Notes:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

Transfer of Interests

Interests in a Registered Global Note may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interest in another Registered Global Note or in the form of a Definitive Registered Note (if available) and Definitive Registered Notes may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such Notes in the form of an interest in a Registered Global Note (if available). No beneficial owner of an interest in a Registered Global Note will be able to transfer such interest, except in accordance with the applicable procedures of DTC, Euroclear and Clearstream, Luxembourg, in each case to the extent applicable. **Registered Notes are also subject to the restrictions on transfer set forth therein and will bear a legend regarding such restrictions, see "*Subscription and Sale*".**

General

Pursuant to the Agency Agreement (as defined under "*Terms and Conditions of the Notes*"), the Principal Paying Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN and, where applicable, a CUSIP and CINS number which are different from the common code and ISIN, CUSIP and CINS assigned to Notes of any other Tranche of the same Series until at

least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act) applicable to the Notes of such Tranche.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear and/or Clearstream, Luxembourg each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error or proven error) shall be treated by the Issuers, the Guarantor and their agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Bearer Global Note or the registered holder of the relevant Registered Global Note shall be treated by the Issuers, the Guarantor and their agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions **Noteholder** and **holder of Notes** and related expressions shall be construed accordingly.

So long as DTC or its nominee is the registered owner or holder of a Registered Global Note, DTC or such nominee, as the case may be, will be considered the sole owner or holder of the Notes represented by such Registered Global Note for all purposes under the Agency Agreement and such Notes except to the extent that in accordance with DTC's published rules and procedures any ownership rights may be exercised by its participants or beneficial owners through participants.

Any reference herein to DTC and/or Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms.

A Note may be accelerated by the holder thereof in certain circumstances described in Condition 17. In such circumstances, where any Note is still represented by a Global Note and the Global Note (or any part thereof) has become due and repayable in accordance with the Terms and Conditions of such Notes and payment in full of the amount due has not been made in accordance with the provisions of the Global Note then the Global Note will become void at 8.00 p.m. (Paris time) on such day. At the same time, holders of interests in such Global Note credited to their accounts with DTC and/or Euroclear and/or Clearstream, Luxembourg, as the case may be, will become entitled to proceed directly against the relevant Issuer on the basis of statements of account provided by DTC and/or Euroclear and/or Clearstream, Luxembourg on and subject to the terms of a deed of covenant (the **Deed of Covenant**) dated 26 September 2008, executed by each of the Issuers. In addition, holders of interests in such Global Note credited to their accounts with DTC may require DTC to deliver Definitive Notes in registered form in exchange for their interest in such Global Note in accordance with DTC's standard operating procedures.

2. STATUS OF THE NOTES AND THE GUARANTEE

The Notes and the Receipts and Coupons relating to them constitute direct, unsubordinated and (subject to Condition 3) unsecured obligations of the Issuer and rank and will rank *pari passu* among themselves and (subject as aforesaid and to certain statutory exceptions) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Issuer from time to time outstanding.

The Guarantee constitutes an unconditional and unsecured obligation of the Guarantor and ranks (save for statutorily preferred exceptions) *pari passu* with any other existing or future unsecured and unsubordinated obligations of the Guarantor, present and future.

3. NEGATIVE PLEDGE

So long as any of the Notes, Receipts or Coupons remain outstanding, as defined in the Agency Agreement, the Issuer will not or (in the case of Notes issued by CFG, CFP or CFS) neither the Issuer nor the Guarantor will (but so that this undertaking will in no way affect its freedom to dispose of the ownership of its assets) grant any mortgage on any of its real property or rights over real property which it now possesses or may possess in each case for the benefit of other bonds or notes (including *obligations*) without granting the same ranking security to the outstanding Notes, Receipts and Coupons.

4. REDENOMINATION

4.1 Redenomination

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders, on giving prior notice to the Agent, Euroclear and Clearstream, Luxembourg and at least 30 days' prior notice to the Noteholders in accordance with Condition 17, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

The election will have effect as follows:

- (a) the Notes and the Receipts shall be deemed to be redenominated in euro in the denomination of euro 0.01 with a nominal amount for each Note and Receipt equal to the nominal amount of that Note or Receipt in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Agent, that the then market practice in respect of the redenomination in euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and the Paying Agents of such deemed amendments;
- (b) save to the extent that an Exchange Notice has been given in accordance with paragraph (c) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest euro 0.01;
- (c) if definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of euro 1,000, euro 10,000, euro 100,000 and (but only to the extent of any remaining amounts less than euro 1,000 or such smaller denominations as the Agent may approve) euro 0.01 and such other denominations as the Agent shall determine and notify to the Noteholders;
- (d) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the **Exchange Notice**) that replacement euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Agent may specify and as shall be notified to the Noteholders in the Exchange Notice.

No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;

- (e) after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque; in each case multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form comprises more than one Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding;
- (f) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for period ending other than on an Interest Payment Date, it will be calculated:
 - (i) in the case of the Notes represented by a Global Note, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Notes represented by such Global Note; and
 - (ii) in the case of definitive Notes, by applying the Rate of Interest to the Calculation Amount;
- (g) in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market conventions. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding; and
- (h) if the Notes are Floating Rate Notes, the applicable Final Terms will specify any relevant changes to the provisions relating to interest.

4.2 Definitions

In the Conditions, the following expressions have the following meanings:

Established Rate means the rate for the conversion of the Specified Currency (including compliance with rules relating to roundings in accordance with applicable European Community regulations) into euro established by the Council of the European Union pursuant to Article 123 of the Treaty;

Euro means the lawful currency of the member states of the European union that adopt the single currency in accordance with of the EC Treaty;

Redenomination Date means (in the case of interest bearing Notes) any date for payment of interest under the Notes or (in the case of Zero Coupon Notes) any date, in each case specified by the Issuer in the notice given to the Noteholders pursuant to Condition 4.1 above and which falls on or after the

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount, is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (i) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Fixed Rate Notes in definitive form, the Calculation Amount,

and each case multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent under an interest rate swap transaction if the Principal Paying Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the "**ISDA Definitions**") and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (**LIBOR**) or on the Euro-zone inter-bank offered rate (**EURIBOR**), the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), **Floating Rate**, **Calculation Agent**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(B) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11:00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Principal Paying Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Principal Paying Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(iii) *Minimum Rate of Interest and/or Maximum Rate of Interest and/or Rate Multiplier*

If the applicable Final Terms specify a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specify a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

If the applicable Final Terms specify a Rate Multiplier for any Interest Period, then, the Rate of Interest in respect of any such Interest Period shall be multiplied by the relevant Rate Multiplier, subject always to the Minimum and/or Maximum Rate of Interest as described above.

If n/N or nb/Nb is specified as the Rate Multiplier in the applicable Final Terms, the following definitions shall apply, unless otherwise specified in the applicable Final Terms:

n means the number of calendar days in the relevant Observation Period in respect of which the Benchmark was equal to or greater than the Lower Limit and equal to or lower than the Upper Limit, in each case as determined by the relevant Calculation Agent.

N means the total number of calendar days within the relevant Observation Period.

nb means the number of Business Days in the relevant Observation Period in respect of which the Benchmark was equal to or greater than the Lower Limit and equal to or lower than the Upper Limit, in each case as determined by the relevant Calculation Agent.

Nb means the total number of Business Days within the relevant Observation Period.

Lower Limit means, in respect of the relevant Observation Period, the limit specified in the applicable Final Terms.

Upper Limit means, in respect of the relevant Observation Period, the limit specified in the applicable Final Terms.

Observation Period means the period which starts two (2) Observation Period Business Days prior to the beginning of each Interest Period and ends two (2) Observation Period Business Days prior to the end of such Interest Period.

Observation Period Business Days means such applicable Business Days as specified in the relevant Final Terms.

Benchmark means, in respect of any calendar day (in respect of the definition of **n**) or, as applicable, Business Day (in respect of the definition of **nb**) of the relevant Observation Period, unless otherwise specified in the applicable Final Terms:

- if USD-LIBOR is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "USD-LIBOR-BBA" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date), and appearing on Reuters Screen LIBOR01 Page as at 11.00 a.m. (London time). If on any Observation Period Business Day, such rate does not appear on Reuters Screen LIBOR01 Page, USD-LIBOR will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "USD-LIBOR-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date).
- if GBP-LIBOR is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "GBP-LIBOR-BBA" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date), and appearing on Reuters Screen LIBOR01 Page as at 11.00 a.m. (London time). If on any Observation Period Business Day, such rate does not appear on Reuters Screen LIBOR01 Page, GBP-LIBOR will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "GBP-LIBOR-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date).

If on any Observation Period Business Day, such rate does not appear on Reuters Screen EURIBOR01 Page, EURIBOR will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "EUR-EURIBOR-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without reference to any Reset Date).
- if EUR-CMS is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "EUR-ISDA-EURIBOR Swap Rate-11:00" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without Reference to any Reset

Date), and appearing on Reuters Screen ISDAFIX2 Page as at 11.00 a.m. (Frankfurt time) under the heading "EURIBOR BASIS – EUR" and above the caption "11:00 AM FRANKFURT". If on any Observation Period Business Day, such rate does not appear on Reuters Screen ISDAFIX2 Page, EUR-CMS will be determined by the Calculation Agent as aforesaid in accordance with the Floating Rate Option "EUR-Annual Swap Rate-Reference Banks" (as defined in the ISDA Definitions) for a period of the Designated Maturity specified in the applicable Final Terms (without reference to any Reset Date).

- if USD-CMS is specified as the applicable Benchmark in the Final Terms, the rate equal to the Floating Rate for such day that would be determined by the Calculation Agent under an interest rate swap transaction if it were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which the Floating Rate Option is "USD-ISDA-Swap Rate" (as defined in the ISDA Definitions) for a period of the Designated Maturity as specified in the Final Terms (without Reference to any Reset Date), and appearing on Reuters Screen ISDAFIX1 Page as at 11.00 a.m. (New York time). For the purposes hereof, the value of the Benchmark on any calendar day of the relevant Observation Period which is not an Observation Period Business Day shall be deemed to be the value ascribed to the Benchmark on the first preceding Observation Period Business Day.

(iv) *Determination of Rate of Interest and calculation of Interest Amounts*

The Principal Paying Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index Linked Interest Notes, the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes or Index Linked Interest Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes or Index Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes or Index Linked Interest Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Index Linked Interest Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

If "Interest Amounts Non-Adjusted" is specified in the applicable Final Terms then notwithstanding the bringing forward or postponement (as applicable) of an Interest Payment Date as a result of the application of the relevant Business Day Convention, the Interest Amount shall be calculated as aforesaid as though the Business Day Convention did not apply.

(v) *Notification of Rate of Interest and Interest Amounts*

The Principal Paying Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 17 as soon as possible after their determination but in no event later than the first Luxembourg Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 17. For the purposes of this paragraph, the expression **Luxembourg Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in Luxembourg.

(vi) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(b), shall (in the absence of wilful default, bad faith or manifest error or proven error) be binding on the Issuer, the Guarantor, the Principal Paying Agent, the other Paying Agents and all Noteholders, Receipholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Guarantor, the Noteholders, the Receipholders or the Couponholders shall attach to the Principal Paying Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Interest on Equity Linked Interest Notes, Fund Linked Interest Notes and Index Linked Interest Notes*

(i) *Interest Payment Dates*

Each Equity Linked Interest Note, each Fund Linked Interest Note and each Index Linked Interest Note (each a **Linked Interest Note**) bears interest at the applicable Linked Interest Rate (as defined in paragraph (ii) below) on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms (each such date an **Interest Payment Date**).

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms, the provisions of Condition 5(b)(ii) above in relation to the "Business Day Convention" shall apply, *mutatis mutandis* to the relevant Index Linked Interest Notes or Equity Linked Interest Notes, as the case may be.

(ii) *Linked Interest Rate*

The Equity Linked Interest Rate, the Index Linked Interest Rate or the Fund Linked Interest Rate as applicable (each a **Linked Interest Rate**) payable from time to time in respect of the applicable Linked Interest Notes will be determined in the manner specified in the applicable Final Terms.

(iii) *Minimum Linked Interest Rate and/or Maximum Linked Interest Rate*

If the applicable Final Terms specify a Minimum Linked Interest Rate for any Interest Period, then, in the event that the applicable Linked Interest Rate in respect of such Interest Period determined in accordance with the provisions of paragraph 5(b)(ii) above is less than such Minimum Linked Interest Rate, the applicable Linked Interest Rate for such Interest Period shall be such Minimum Linked Interest Rate.

If the applicable Final Terms specify a Maximum Linked Interest Rate for any Interest Period, then, in the event that the applicable Linked Interest Rate in respect of such Interest Period determined in accordance with the provisions of paragraph 5(b)(ii) above is greater than such Maximum Linked Interest Rate, the applicable Linked Interest Rate for such Interest Period shall be such Maximum Linked Interest Rate.

(iv) *Determination of Linked Interest Rate and calculation of Interest Amounts*

The Principal Paying Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index Linked Interest Notes, the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes or Index Linked Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes or Index Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes or Index Linked Interest Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Index Linked Interest Note in definitive form comprises more than one Calculation Amount, the Interest Amount payable in respect of such Note shall be the aggregate of the amounts (determined in the manner provided above) for each Calculation Amount comprising the Specified Denomination without any further rounding.

(v) *Notification of Linked Interest Rate and Interest Amounts*

The Calculation Agent shall notify the Principal Paying Agent of the Linked Interest Rate and Interest Amounts for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent will cause the Linked Interest Rate and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Linked Interest Notes are for the time being listed and notice thereof to be published in accordance with Condition 17 as soon as possible after the day on which the notice was given to the Principal Paying Agent but in no event later than the fourth Luxembourg Business Day thereafter. For the purposes of this paragraph, the expression **Luxembourg Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in Luxembourg.

(vi) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(c), whether by the Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error or proven error) be binding on the Issuer, the Guarantor, the Principal Paying Agent, the Calculation Agent (if applicable), the other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Guarantor, the Noteholders, the Receiptholders or the Couponholders shall attach to the Principal Paying Agent or, if

applicable, the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(d) *Interest on Dual Currency Interest Notes*

The rate or amount of interest payable in respect of Dual Currency Notes which are interest bearing Notes shall be determined in the manner specified in the applicable Final Terms.

(e) *Interest on Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(f) *Interest on Credit Linked Notes and Commodity Linked Notes*

In the case of Credit Linked Notes and Commodity Linked Notes which are interest bearing Notes, the rate and/or amount of interest payable shall be determined in the manner specified in the applicable Final Terms.

(g) *Accrual of interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (i) the date on which all amounts due in respect of such Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Principal Paying Agent or the Registrar, as the case may be, and notice to that effect has been given to the Noteholders in accordance with Condition 17.

Receipts presented without the Definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive bearer form (other than Dual Currency Notes, Credit Linked Notes, Commodity Linked Notes, Equity Linked Notes, Fund Linked Notes, Index Linked Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of 10 years after the Relevant Date (as defined in Condition 11) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 12) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Credit Linked Note, Commodity Linked Note, Equity Linked Note, Fund Linked Note, Index Linked Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A **Long Maturity Note** is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal

amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any Definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding or Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Bearer Note.

(c) *Payments in respect of Bearer Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Global Note in bearer form will (subject as provided below) be made in the manner specified above in relation to Definitive Bearer Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Global Note in bearer form, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Paying Agent to which it was presented and such record shall be *prima facie* evidence that the payment in question has been made.

(d) *Payments in respect of Registered Notes*

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the **Register**) at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date (the **Record Date**). Notwithstanding the previous sentence, if (i) a holder does not have a Designated Account or (ii) the principal amount of the Notes held by a holder is less than €250,000 (or its approximate equivalent in any other Specified Currency), payment will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, **Designated Account** means the account (which, in the case of a payment in Japanese Yen to a non-resident of Japan, shall be a non-resident account) maintained by a holder with a Designated Bank and identified as such in the Register and **Designated Bank** means (in the case of payment in a Specified Currency other than euro) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian Dollars or New Zealand dollars, shall be Sydney and Auckland respectively) and (in the case of a payment in euro) any bank which processes payments in euro.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made by a cheque in the Specified Currency drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register at the close of business on the fifteenth day (whether or not such fifteenth day is a business day) before the relevant due date (the **Record Date**) at his address shown in the Register on the Record Date and at his risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the

Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Registered Note.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No commissions or expenses shall be charged to such holders by the Registrar in respect of any payments of principal or interest in respect of the Registered Notes.

All amounts payable to DTC or its nominee as registered holder of a Registered Global Note in respect of Notes denominated in a Specified Currency other than U.S. dollars shall be paid by transfer by the Registrar to an account in the relevant Specified Currency of the Exchange Agent on behalf of DTC or its nominee for conversion into and payment in U.S. dollars in accordance with the provisions of the Agency Agreement.

None of the Issuer, the Guarantor, or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

(e) *General provisions applicable to payments*

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer or, as the case may be, the Guarantor will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of DTC, Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to DTC, Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer or, as the case may be, the Guarantor to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Bearer Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer and the Guarantor, adverse tax consequences to the Issuer or the Guarantor.

In the case of Notes issued by CALYON, the Issuer and each of its branches are a single legal entity and the obligation to make any payment under the Notes is an obligation of CALYON as a whole. However, if the Final Terms specify a branch office of CALYON as the branch of account for any payment under the Notes, then it may not be required to make any payment under the Notes at its head office or any of its other branches for so long as and to the extent that the specified branch of

account is prevented from making any payment under the Notes due to (a) an act of war, insurrection or civil strife; or (b) an action by the government or any instrumentality of or in the jurisdiction of the specified branch of account (whether de jure or de facto).

(f) *Payment Business Day*

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Business Day, the holder thereof shall instead be entitled to payment: (i) on the next following Payment Business Day in the relevant place, if "Following Payment Business Day" is specified in the applicable Final Terms; or (ii) on the next following Payment Business Day in the relevant place, unless the date for payment would thereby fall into the next calendar month, in which event such date for payment shall be brought forward to the immediately preceding Payment Business Day in the relevant place, if "Modified Following Payment Business Day" is specified in the applicable Final Terms or (iii) on the immediately preceding Payment Business Day in the relevant place, if "Preceding Payment Business Day" is specified in the applicable Final Terms; provided that if neither "Following Payment Business Day" nor "Modified Following Payment Business Day" nor "Preceding Payment Business Day" is specified in the applicable Final Terms, "Following Payment Business Day" shall be deemed to apply. In the event that any adjustment is made to the date for payment in accordance with this Condition 6(f) the relevant amount due in respect of any Note, Receipt or Coupon shall not be affected by any such adjustment. For these purposes, unless otherwise specified in the applicable Final Terms, **Payment Business Day** means any day which is:

- (i) subject to the provisions of the Agency Agreement, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) in respect of Definitive Notes, the relevant place of presentation; or
 - (B) in respect of Registered Notes, the place of registration; and
 - (C) each Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (A) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation and any Additional Financial Centre and which if the Specified Currency is Australian dollars, shall be Sydney and, if the Specified Currency is Canadian dollars, shall be Montreal) or (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open.

(g) *Interpretation*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 11, if applicable;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;

- (v) in relation to Notes redeemable in instalments, the Instalment Amounts; and
- (vi) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 11.

Any reference in these Terms and Conditions to "payment", "repayment" and "redemption" and other related expressions (including, without limitation, for the purposes of the definition of "Payment Day" in paragraph (f) above) shall, where the context admits, include the delivery of any securities or other assets pursuant to Physical Settlement as provided in Condition 11(b).

(h) *Payments in respect of Swedish Notes*

Payments of principal, interest and/or any other amounts due in respect of Swedish Notes shall be made to the Noteholders recorded as such on the fifth business day (as defined by the then applicable Swedish CSD Rules) before the due date for such payment, or such other business day falling closer to the relevant due date as then may be stipulated in said rule. Such day shall be the "**Record Date**" in respect of the relevant Swedish Notes. The payments will be effected through the facilities of the Swedish CSD in accordance with the Swedish CSD Rules.

(i) *Payments in respect of Norwegian Notes*

Payments, including payments of interest and payments of instalments of principal in respect of Norwegian Notes shall be made to the Noteholders recorded as such on the fifth business day (as defined by the then applicable Norwegian CSD Rules) before the due date for such payment, or such other business day falling closer to the relevant due date as then may be stipulated in said rule. Such day shall be the "**Record Date**" in respect of the relevant Norwegian Notes. Such payments shall be made by transfer to the Designated Account in accordance with the Norwegian CSD Rules. If a holder does not have a Designated Account payment will be made by cheque as further specified in paragraph (d) above.

7. REDEMPTION AND PURCHASE

(a) *Redemption at maturity*

Unless either (i) previously redeemed or purchased and cancelled as specified below or (ii) the applicable Final Terms provide that the Notes shall have no specified Maturity Date, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

(b) *Redemption for tax reasons*

Where Condition 11(b) is specified in the applicable Final Terms as applying to the Notes, such Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving (unless otherwise specified in the applicable Final Terms) not less than 30 nor more than 60 days' notice to the Principal Paying Agent or the Registrar, as the case may be, and, in accordance with Condition 17, the Noteholders (which notice shall be irrevocable), if:

- (i) on the occasion of the next payment due under the Notes, the Issuer or (where CFP, CFG or CFS is the Issuer) the Guarantor (if it were required to make a payment under the Guarantee) has or will become obliged to pay additional amounts as provided or referred to in Condition 11 as a result of any change in, or amendment to, the laws or regulations of a Tax

Jurisdiction (as defined in Condition 11), or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and

- (ii) such obligation cannot be avoided by the Issuer or (where CFP, CFG or CFS is the Issuer) the Guarantor taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer or (where CFP, CFG or CFS is the Issuer) the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Notes redeemed pursuant to this Condition 7(b) will be redeemed at their Early Redemption Amount referred to in Condition 7(g) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(c) *Special Tax Redemption*

Where Condition 11(b) is specified in the applicable Final Terms as applying to the Notes, if the Issuer or the Guarantor would, on the occasion of the next payment of principal or interest in respect of the Notes, be prevented by French law and (in the case of Notes issued by CFP or CFG) Guernsey law from making payment to the Noteholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 11, then the Issuer shall forthwith give notice of such fact to the Principal Paying Agent or the Registrar, as the case may be, and the Issuer shall, upon giving not more than seven days' prior notice to the Noteholders, forthwith redeem all, but not some only, of the Notes at their Early Redemption Amount, together, if appropriate, with accrued interest, on the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice to Noteholders shall be the later of:

- (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes; and
- (ii) fourteen days after giving notice to the Principal Paying Agent or the Registrar, as the case may be, as aforesaid.

(d) *Redemption at the option of the Issuer (Issuer Call)*

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given not less than and/or not more than such number of days' notice as may be specified in the applicable Final Terms to the Noteholders (with a copy of such notice to the Principal Paying Agent or, in the case of a redemption of Registered Notes, the Registrar) in accordance with Condition 17 (which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Call Optional Redemption Date and at the Call Optional Nominal Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Call Optional Redemption Date.

Any such redemption must be of a nominal amount not less than the Minimum Call Nominal Amount or not more than a Higher Call Nominal Amount, in each case as may be specified in the applicable Final Terms.

In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of DTC and/or Euroclear and/or Clearstream, Luxembourg (to be reflected

in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 17 not less than 15 days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (d) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 17 at least five days prior to the Selection Date.

In the case of Swedish Notes, the notice to the Noteholders shall also specify the Notes or amounts of the Redeemed Notes and the Record Date before the due date for the redemption and the procedures for partial redemptions laid down in the Swedish CSD Rules will be observed.

(e) *Redemption at the option of the Noteholders (Investor Put)*

It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

If Investor Put is specified in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 17 not less than nor more than such number of days' notice as may be specified in the applicable Final Terms, the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole (but not, in the case of a Bearer Note in definitive form, in part) such Note on the Put Optional Redemption Date and at the Put Optional Nominal Amount together, if appropriate, with interest accrued to (but excluding) the Put Optional Redemption Date. Registered Notes may be redeemed under this Condition 7(e) in any multiple of their lowest Specified Denomination.

If this Note is in definitive form and held outside Euroclear and Clearstream, to exercise the right to require redemption of this Note, the holder of this Note must deliver at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) at any time during normal business hours of such Paying Agent or, as the case may be, the Registrar falling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or, as the case may be, the Registrar (a **Put Notice**) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition and, in the case of Registered Notes, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 1(c)(iii), accompanied by this Note or evidence satisfactory to the Paying Agent concerned or the Registrar (in the case of Registered Notes) that this Note will, following delivery of the Put Notice, be held to its order or under its control.

If this Note is represented by a Global Note or is in definitive form and held through DTC, Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note, the holder of this Note must, within the notice period, give notice to the Principal Paying Agent or, as the case may be, the Registrar (in the case of Registered Notes) of such exercise in accordance with the standard procedures of DTC, Euroclear or Clearstream, Luxembourg (which may include notice being given on his instruction by DTC, Euroclear or Clearstream, Luxembourg or any common depository or common safekeeper, as the case may be for them to the Principal Paying Agent or, as the case may be, the Registrar (in the case of Registered Notes) by electronic means) in a form acceptable to DTC, Euroclear or Clearstream, Luxembourg from time to time and, if this Note is represented by a Global Note, at the same time present or procure the presentation of the relevant

Global Note to the Principal Paying Agent or, as the case may be, the Registrar (in the case of Registered Notes) for notation accordingly.

Any Put Notice or other notice given in accordance with the standard procedures of DTC, Euroclear and Clearstream, Luxembourg given by a holder of any Note pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 13.

Any Put Notice in respect of Swedish Notes will not take effect against the Issuer until the date on which the relevant Swedish Notes have been transferred to the account designated by the Swedish Issuing Agent and blocked for further transfer by said Agent.

Any Put Notice in respect of Norwegian Notes will not take effect against the Issuer before the date on which the relevant Norwegian Notes have been blocked for further transfer or, if requested by the Norwegian Issuing Agent, transferred to an account designated by the Norwegian Issuing Agent.

(f) *Regulatory Redemption or Compulsory Resales*

Each of CFP, CFG and CFS shall have the right at any time, at the expense and risk of the holder of any Notes held by or on behalf of a U.S. person who is not a QP at the time it purchases such Notes, (i) to redeem such Notes, in whole or in part, to permit the Issuer to avoid registration under the Investment Company Act or (ii) to require such holder to sell such Notes to a QIB (or an IAI, where transfers to IAIs are permitted pursuant to the Prospectus or Final Terms applying to such Notes) who is also a QP in accordance with Rule 144A or to a non-U.S. person outside the United States in accordance with Regulation S. The determination of which Notes shall be redeemed pursuant to (i) above or sold pursuant to (ii) above in any particular case shall be made at the sole and absolute discretion of the Issuer. Any such redemption shall be made at the Early Redemption Amount as defined below. The Registrar is not required to register any purported transfers of Notes which would, in the opinion of the Issuer or the Registrar, cause the Issuer to be in violation of the Securities Act or the Investment Company Act.

(g) *Early Redemption Amounts*

Where the Notes are to be redeemed prior to the Maturity Date, pursuant to paragraphs (b) or (c) above, or Condition 13 or 22 or any other circumstances as may be specified in the applicable Final Terms, each Note will be redeemed, unless otherwise specified in the applicable Final Terms, at the Early Redemption Amount.

The Early Redemption Amount shall be such amount as shall be determined to be the fair market value of the Note as at (or about) the date of early redemption, taking into account, without limitation (i) the cost to the Issuer of unwinding any related underlying hedging arrangements entered into in respect of such Note (such as, but not limited to, any market bid/offer spread and any ancillary cost in relation to such unwinding), whether such hedge is held directly by the Issuer or the Guarantor or indirectly through an affiliate, and/or (ii) any replacement liquidity costs and/or (iii) any other appropriate costs, all as determined by the Calculation Agent in its sole and absolute discretion.

In determining the fair market value of the Note, the Calculation Agent shall take into consideration all information which it deems relevant (including, without limitation, market conditions, and, in the case of early redemption pursuant Condition 22, the impracticality, illegality or impossibility giving rise to the early redemption).

In the case of early redemption pursuant to Condition 13, the Calculation Agent shall not take into account the financial condition of the Issuer and the Guarantor and for such purposes the fair market value shall be determined on the presumption that each of the Issuer and the Guarantor is able to perform fully its obligations in respect of the Notes as at the date of redemption.

The Early Redemption Amount determined as specified above shall be deemed to include any amounts in respect of accrued interest, if any, unless otherwise specified in the applicable Final Terms.

Payment of such Early Redemption Amount will be made in such manner as shall be notified to the Noteholders in accordance with Condition 17.

(h) *Instalments*

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (g) above.

(i) *Partly Paid Notes*

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 7 and the applicable Final Terms.

(j) *Purchases*

The Issuer, the Guarantor and any of their Subsidiaries may at any time purchase Notes (provided that, in the case of Definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. In the case of Notes issued by CALYON, Notes purchased by or on behalf of the Issuer will be surrendered to a Paying Agent and/or the Registrar for cancellation. In the case of Notes issued by CFP, CFG and CFS, Notes purchased by or on behalf of the Issuer may, at the option of the relevant Issuer, be so surrendered and cancelled or may be held or resold.

Subsidiary means, in relation to any person or entity at any time, any other person or entity (whether or not now existing) as defined in article L.233-1 of the French *Code de Commerce* or any other person or entity controlled directly or indirectly by CALYON within the meaning of article L.233-3 of the French *Code de Commerce*.

As at the date of this Base Prospectus, article L.233-1 of the French *Code de Commerce* states:

"Where a company owns more than half of the share capital of another company, the latter company is considered, for the purposes of this chapter, to be a subsidiary of the former."

As at the date of this Base Prospectus, article L.233-3 of the French *Code de Commerce* states:

"I. A company is considered, for the purposes of sections 2 and 4 of this chapter, to be controlling another company if:

- (i) it holds, directly or indirectly, a part of its share capital giving it a majority of the voting rights in such company's shareholders' meetings;
- (ii) by virtue of a shareholders' or associates' agreement, which agreement is not against the interests of the company, it alone holds the majority of the voting rights in the company; or

(iii) by virtue of the voting rights it holds, it controls, de facto, the decisions made in the shareholders' meetings of the company.

II. Control is presumed to be exercised by a company if such company holds, directly or indirectly, over 40 per cent. of the voting rights and if no other shareholder or associate holds, directly or indirectly, more voting rights than such company.

III. For the purposes of the same sections of this chapter, two or more persons acting in concert are considered as jointly controlling another when they control, de facto, the decisions made in the shareholders' meeting."

(k) *Cancellation*

All Notes which are redeemed by the Issuer will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes purchased and cancelled pursuant to paragraph (j) above (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Principal Paying Agent and cannot be reissued or resold.

(l) *Late payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c), (d), (e) or (f) above or upon its becoming due and repayable as provided in Condition 13 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (g) above as though the references therein to the date fixed for the redemption was replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Principal Paying Agent or the Registrar and notice to that effect has been given to the Noteholders in accordance with Condition 17.

8. PROVISIONS APPLICABLE TO CREDIT LINKED NOTES

The following provisions apply to Credit Linked Notes (subject as provided in the applicable Final Terms).

8.1 Redemption of Credit Linked Notes upon occurrence of Credit Event

(a) *Credit Event Notice*

Unless otherwise stated in the applicable Final Terms in respect of principal protected Credit Linked Notes or otherwise, if at any time the Calculation Agent determines that a Credit Event has occurred during the Reference Period, whether or not such event is continuing, the Issuer may give a notice (the **Credit Event Notice**) during the Notice Delivery Period to the Noteholders in accordance with Condition 17 of its intention to redeem the Credit Linked Notes (other than principal protected Credit Linked Notes or as otherwise stated in the applicable Final Terms), and if such notice is so given and the other Conditions to Settlement (as specified in the applicable Final Terms) are satisfied, the Issuer shall redeem all but not some only of the Credit Linked Notes then outstanding on the Credit Event Redemption Date, subject to the provisions of Condition 8.10, as determined by the Calculation Agent in its sole discretion. Such redemption shall occur by Physical Settlement and/or, if so specified in the applicable Final Terms, Cash Settlement.

The Credit Event Redemption Date may be a date falling after the originally scheduled Redemption Date in which case the originally scheduled Redemption Date shall be deemed to be replaced by the relevant date specified in the Credit Event Notice or otherwise notified to the Noteholders.

For the avoidance of doubt and notwithstanding any other provision of these Terms and Conditions, no amount of interest shall be payable on the Notes as from (and including) the Interest Payment Date (or, if none, the Interest Commencement Date) immediately preceding the date on which the Credit Event occurred, unless otherwise specified in the applicable Final Terms.

The Credit Event Notice shall (if appropriate) be published in the relevant newspaper(s) referred to in Condition 17 and shall:

- (i) describe the grounds on which the Calculation Agent has determined that there has been a Credit Event (but need not assert that a Credit Event is continuing);
- (ii) specify the Event Determination Date; and
- (iii) confirm that either (i) the Notes will be redeemed by Delivery of the Deliverable Obligations as specified in the Notice of Physical Settlement (in the case of Physical Settlement and subject to the provisions of Condition 8.9) or (ii) the Notes will be redeemed at their Cash Settlement Amount, in each case on the Credit Event Redemption Date.

Unless otherwise stated in the applicable Final Terms in respect of principal protected Credit Linked Notes or otherwise, once a Credit Event has occurred during the Reference Period and a Credit Event Notice has been issued, the Issuer's only obligation, other than to deliver a Notice of Publicly Available Information (if specified in the applicable Final Terms) and, in the case of Physical Settlement, a Notice of Physical Settlement and, in the case of Cash Settlement, a Reference Obligation Notice, shall be to deliver (subject to the provisions of Conditions 8.4, 8.5, 8.6 and 8.7 below) a *pro rata* amount in respect of each Note of the Deliverable Obligations (in the case of Physical Settlement) and/or, as the case may be, pay a *pro rata* amount in respect of each Note of the Cash Settlement Amount (in the case of Cash Settlement), on the Credit Event Redemption Date. Upon Delivery of the Deliverable Obligations and/or, as the case may be, payment of the Cash Settlement Amount in respect of each Note, the Issuer shall have discharged all of its obligations in respect of such Note and shall have no other liability or obligation whatsoever in respect thereof.

Where Restructuring is specified in the applicable Final Terms as being an applicable Credit Event, there may be more than one Credit Event Notice delivered in respect of the same Reference Entity, as further described in Condition 8.10 below.

If "First to Default Credit Linked Note" is specified as "Applicable" in the Final Terms, then this paragraph (a) shall apply only to the Reference Entity in respect of which a Credit Event has occurred first in time with respect to the other Reference Entities specified in the Final Terms.

(b) *Determination of the occurrence of a Credit Event*

The Calculation Agent shall determine whether or not a Credit Event has occurred during the Reference Period. The Calculation Agent shall, however, have no duty or responsibility to investigate or check whether such Credit Event has or may have occurred or is continuing on any date and shall be entitled to assume, in the absence of actual knowledge to the contrary of the employees or officers of the Calculation Agent directly responsible for the time being for making determinations hereunder, that no Credit Event has occurred or is continuing.

When determining the existence or occurrence of any Credit Event, the determination shall be made without regard to:

- (i) any lack or alleged lack of authority or capacity of a Reference Entity to enter into any Obligation or, as applicable, an Underlying Obligor to enter into any Underlying Obligation;
- (ii) any actual or alleged unenforceability, illegality, impossibility or invalidity with respect to any Obligation or, as applicable, any Underlying Obligation, however described;
- (iii) any applicable law, order, regulation, decree or notice, however described, or the promulgation of, or any change in, the interpretation by any court, tribunal, regulatory authority or similar administrative or judicial body with competent or apparent jurisdiction of any applicable law, order, regulation, decree or notice, however described; or
- (iv) the imposition of or any change in any exchange controls, capital restrictions or any other similar restrictions imposed by any monetary or other authority, however described.

If the Calculation Agent determines in its sole and absolute discretion that a Credit Event has occurred during the Reference Period it shall promptly notify the Issuer and the Principal Paying Agent. The determination by the Calculation Agent of the occurrence of a Credit Event shall (in the absence of wilful default, bad faith or manifest error or proven error) be conclusive and binding on all persons (including, without limitation, the Noteholders).

(c) *Calculation Agent and notices*

The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent under or pursuant to this Condition shall (in the absence of manifest error) be final and binding on the Issuer and the Noteholders. In performing its duties pursuant to the Notes, the Calculation Agent shall act in its sole and absolute discretion. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or discretions under or pursuant to the Notes including, without limitation, the giving of any notice to any party, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and neither the Calculation Agent nor the Issuer shall bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

A notice delivered by the Calculation Agent on or prior to 5.00 p.m., London time on a London Business Day will be effective on such London Business Day. A notice delivered after 5:00 p.m., London time will be deemed effective on the next following London Business Day regardless of the form in which it is delivered. For the purposes of the two preceding sentences, a notice given by telephone will be deemed to have been delivered at the time the telephone conversation takes place. If the notice is delivered by telephone, a written confirmation will be executed and delivered confirming the substance of that notice within one London Business Day of that notice. Failure to provide that written confirmation will not affect the effectiveness of that telephonic notice. If that written confirmation is not received within such time, the party obligated to deliver that confirmation will be deemed to have satisfied its obligation to deliver such written confirmation at the time that a written confirmation of the oral notice is received.

8.2 Physical Settlement

Where the Issuer is to redeem the Notes by means of Physical Settlement, the redemption of each Note shall, subject as provided in Condition 10, be effected by the Delivery by the Delivery Agent on behalf of the Issuer to the Noteholders of the Deliverable Obligations on the Credit Event Redemption Date.

If Hedge Amount is specified as "Applicable" in the Final Terms, then the Delivery Agent on behalf of the Issuer shall deliver the Deliverable Obligations subject to adjustment after taking into consideration the Hedge Amount pursuant to the following:

- (a) if the Hedge Amount results in a net loss to the Issuer, then an amount of the Deliverable Obligations equivalent in value to such net loss shall be sold by the Issuer to compensate it therefor, and the remaining portion of the Deliverable Obligations, if any, shall be delivered; or
- (b) if the Hedge Amount results in a net gain to the Issuer, such net gain shall be paid in cash to the Noteholders in addition to the Deliverable Obligations.

In the case of Deliverable Obligations that are Borrowed Money obligations, (i) the Issuer will Deliver Deliverable Obligations with an outstanding principal balance (including accrued but unpaid interest (as determined by Calculation Agent) if "Include Accrued Interest" is specified in the Final Terms, but excluding accrued but unpaid interest if "Exclude Accrued Interest" is specified in the Final Terms, and if neither "Include Accrued Interest" nor "Exclude Accrued Interest" is specified in the Final Terms, excluding accrued but unpaid interest) and (ii) in the case of Deliverable Obligations that are not Borrowed Money obligations, the Issuer will Deliver Deliverable Obligations with a Due and Payable Amount (or, in the case of either (i) or (ii), the equivalent Currency Amount of any such amount), in an aggregate amount as close as possible to the outstanding Aggregate Nominal Amount of the Notes.

The portion of Deliverable Obligations deliverable in respect of each Note shall be determined by reference to the proportion that the Specified Denomination of such Note bears to the outstanding Aggregate Nominal Amount of the Notes.

Unless otherwise specified in the applicable Final Terms, a Notice of Physical Settlement must be delivered by the Issuer to the Noteholders in accordance with Condition 17 on or before the 30th calendar day after the relevant Event Determination Date (such 30th calendar day being the **Physical Determination Date**). For purposes of determining whether such Notice of Physical Settlement has been so delivered by the Physical Determination Date, the date of the Notice of Physical Settlement is given (whether or not subsequently changed) shall be used.

For the avoidance of doubt, failure to deliver a Notice of Physical Settlement to the Noteholders shall not relieve the Issuer from its obligation to redeem the Notes. If on the Physical Determination Date no Notice of Physical Settlement has been delivered to the Noteholders in accordance with Condition 17, the Issuer shall be obliged to redeem the Notes in cash at their outstanding Aggregate Nominal Amount as soon as reasonably practicable and the date on which the Notes are redeemed shall be deemed to be the Credit Event Redemption Date.

8.3 Cash Settlement

Where the Issuer is to redeem the Notes by means of Cash Settlement, the redemption of each Note shall be effected by the payment by the Issuer to the Noteholder of the Cash Settlement Amount on the Cash Settlement Date, such amount to be apportioned pro rata among the Noteholders, rounding the resulting figure downwards to the nearest sub-unit of the relevant currency.

If Hedge Amount is specified as "Applicable" in the Final Terms, then the Issuer shall pay the Cash Settlement Amount, subject to adjustment after taking into consideration the Hedge Amount pursuant to the following:

- (a) if the Hedge Amount results in a net loss to the Issuer, then the net loss shall be deducted from the Cash Settlement Amount; or

- (b) if the Hedge Amount results in a net gain to the Issuer, such net gain shall be paid to the Noteholders in addition to the Cash Settlement Amount.

8.4 Partial Cash Settlement due to illegality or impossibility

If, due to an event beyond the control of the Issuer or a Noteholder (including, without limitation, failure of the relevant clearing system or due to any law, regulation or court order but excluding market conditions or the failure to obtain any requisite consent with respect to the Delivery of Loans), the Calculation Agent determines in its sole discretion that it is impossible or illegal for the Delivery Agent or the Issuer to Deliver, or (as the case may be) for such Noteholder to accept Delivery of, any portion of the Deliverable Obligations on the Physical Settlement Date, then on such date:

- (a) the Issuer shall, or cause the Delivery Agent to Deliver, and the Noteholder shall take Delivery of, that portion of the Deliverable Obligations which it is possible and legal to Deliver; and
- (b) the Calculation Agent shall provide a description to the Issuer and the relevant Noteholder(s) in reasonable detail of the facts giving rise to such impossibility or illegality and as soon as practicable thereafter the Delivery Agent or, as the case may be, the Issuer shall Deliver and the Noteholder shall take Delivery of the portion of the Deliverable Obligations which has not been Delivered and such date will be deemed to be the Credit Event Redemption Date.

If, upon the determination by the Calculation Agent as aforesaid of the occurrence of any such impossibility or illegality, the Deliverable Obligations is not Delivered to the Noteholder(s) (or any of their designees) on or before the Latest Permissible Physical Settlement Date, Cash Settlement pursuant to the Partial Cash Settlement Terms shall be deemed to apply to such portion of the Deliverable Obligations that cannot be Delivered (the **Undeliverable Obligations**). In such circumstances the Issuer may satisfy its obligations in respect of such Undeliverable Obligations by payment to the Noteholder(s) of the Cash Settlement Amount on the Cash Settlement Date, such amount to be apportioned *pro rata* among the Noteholders.

8.5 Partial Cash Settlement of Loans

Where the applicable Final Terms provides that "Assignable Loan" and/or "Consent Required Loan" is/are included in the "Deliverable Obligation Characteristics", if any Assignable Loans or Consent Required Loans are not on the Physical Settlement Date capable of being assigned or novated to any particular Noteholder or the Noteholder's designee due to non-receipt of any requisite consents and such consents are not obtained or deemed given by the Latest Permissible Physical Settlement Date (together the **Undeliverable Loan Obligations**), Cash Settlement pursuant to the Partial Cash Settlement Terms shall be deemed to apply to that portion of the Deliverable Obligations that consists of Undeliverable Loan Obligations. In such circumstances the Issuer may satisfy its obligations in respect of such portion of the Deliverable Obligations by payment to such Noteholder of the Cash Settlement Amount on the Cash Settlement Date.

8.6 Alternative Cash Settlement

If with respect to a physically settled Notes, (i) the Deliverable Obligations comprise Bonds, Assignable Loans or Consent Required Loans (the Deliverable Assets) and if (ii), in the opinion of the Calculation Agent, any particular Noteholder is not eligible for Physical Settlement for any part of such Deliverable Assets (the **Non-Eligible Deliverable Assets**) then such Non-Eligible Deliverable Assets will be subject to Cash Settlement pursuant to the Partial Cash Settlement Terms. In such circumstances the Issuer may satisfy its obligations in respect of such Non-Eligible Deliverable Assets by payment to such Noteholder of the Cash Settlement Amount on the Cash Settlement Date.

8.7 No Deliverable Obligations

Where the Issuer is to redeem the Notes by means of Physical Settlement (or by Cash Settlement or in connection with principal protected Credit Linked Notes, in either case when necessary calculations relate to Deliverable Obligations or Deliverable Obligation Characteristics), if a Credit Event occurs with respect to any particular Reference Entity and the Calculation Agent determines in its sole discretion that (a) no Deliverable Obligation exists on the Physical Settlement Date (or the Valuation Date, as the case may be), or (b) the Issuer, or the Delivery Agent on the Issuer's behalf, is for any reason (other than (a) immediately above or as set out in Condition 8.4 or 8.5 above or in the applicable Final Terms), unable to procure any Deliverable Obligations, or a sufficient amount of Deliverable Obligations, by the thirtieth day following the Physical Settlement Date, then the Calculation Agent shall have the right in its sole discretion to either (i) in the case of (a) above, cause all of the Notes to become due and repayable as soon as reasonably practicable at their outstanding Aggregate Nominal Amount (excluding accrued interest) or (ii) in the case of (b) above, either (A) elect Physical Settlement in a *pro rata* fashion that portion of each Note to the extent that the aggregate amount of Deliverable Obligations due exceeds the aggregate amount of Deliverable Obligations available and elect Cash Settlement for the remaining portion of each Note in accordance with (B) below, or (B) elect that Cash Settlement pursuant to the Partial Cash Settlement Terms shall apply to such Deliverable Obligation (such Deliverable Obligation being deemed an Undeliverable Obligation for these purposes) and the Issuer may satisfy its obligations in respect of such Deliverable Obligation by payment to the Noteholder(s) of the Cash Settlement Amount on the Cash Settlement Date, such amount to be apportioned *pro rata* among the Noteholders.

8.8 Partial Cash Settlement Terms

The following terms are deemed to be defined as follows for the purposes of the Partial Cash Settlement Terms referred to in Condition 8.4, 8.5, 8.6 and 8.7 above:

- (a) **Cash Settlement** is deemed to be the payment by the Issuer of the Cash Settlement Amount to the Noteholders on the Cash Settlement Date, such amount to be apportioned *pro rata* among the Noteholders;
- (b) **Cash Settlement Amount** is deemed to be, for each Undeliverable Obligation or Undeliverable Loan Obligation, the aggregate of the greater of (i) the aggregate of (A) outstanding principal balance, Due and Payable Amount or Currency Amount, as applicable, of each Undeliverable Obligation or Undeliverable Loan Obligation, multiplied by (B) the Final Price with respect to such Undeliverable Obligation or Undeliverable Loan Obligation and (ii) zero;
- (c) **Cash Settlement Date** is deemed to be the date that is three Business Days after the calculation of the Final Price or such other date specified in the relevant Final Terms;
- (d) **Latest Permissible Physical Settlement Date** means, in respect of Condition 8.4, the date that is 30 calendar days after the Physical Settlement Date and, in respect of Condition 8.5, the date that is fifteen Business Days after the Physical Settlement Date;
- (e) **Valuation Date** is deemed to be the date that is two Business Days after the Latest Permissible Physical Settlement Date;
- (f) **Valuation Method** shall be as specified in the applicable Final Terms or otherwise shall be deemed to be, (i) if only one Valuation Date, Highest, or (ii) if more than one Valuation Date, Average Highest, or if "Market" has been designated in the relevant Final Terms, "Market Value" shall apply;

- (g) **Quotation Method** shall be as specified in the applicable Final Terms or otherwise shall be deemed to be Bid;
- (h) **Quotation Amount** shall be as specified in the applicable Final Terms or otherwise shall be deemed to be, with respect to each type of Undeliverable Obligation, Undeliverable Loan Obligation or Non-Eligible Deliverable Asset, an amount equal to the outstanding principal balance or Due and Payable Amount (or, in either case, its equivalent in the relevant Obligation Currency converted by the Calculation Agent in a commercially reasonable manner by reference to exchange rates in effect at the time that the relevant Quotation is being obtained), as applicable, of such Undeliverable Obligation or Undeliverable Loan Obligation;
- (i) **Minimum Quotation Amount** shall be as specified in the applicable Final Terms or shall be deemed to be equal to the applicable Specified Denomination of the Notes;
- (j) **Valuation Time** is deemed to be 11:00 a.m. London time, or 11:00 a.m. in the principal trading market of the relevant obligation as determined by the Calculation Agent, unless stated otherwise in the applicable Final Terms;
- (k) **Market Value** means, with respect to obligations being valued on a Valuation Date, (i) if more than three Full Quotations are obtained, the arithmetic mean of such Full Quotations, disregarding the Full Quotations having the highest and lowest values (and, if more than one such Full Quotations have the same highest value or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (ii) if exactly three Full Quotations are obtained, the Full Quotation remaining after disregarding the highest and lowest Full Quotations (and, if more than one such Full Quotations have the same highest and lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (iii) if exactly two Full Quotations are obtained, the arithmetic mean of such Full Quotations; (iv) if fewer than two Full Quotations are obtained and a Weighted Average Quotation is obtained, such Weighted Average Quotation; (v) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained on any of the next ten Business Days thereafter, (vi) any one Full Quotation on such tenth Business Day, and or if no Full Quotation is obtained, the Market Value shall be the weighted average of any firm quotations obtained from Dealers on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations were not obtained on such day;
- (l) **Quotation** means each Full Quotation, the Weighted Average Quotation obtained and expressed as a percentage with respect to a Valuation Date in the manner that follows:

The Calculation Agent shall attempt to obtain Full Quotations with respect to each Valuation Date from five or more Dealers. If the Calculation Agent is unable to obtain two or more such Full Quotations on the same Business Day within three Business Days of a Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the tenth Business Day following the relevant Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from five or more Dealers, and, if two or more Full Quotations are not available, a Weighted Average Quotation. If two or more such Full Quotations or a Weighted Average Quotation are not available on any such Business Day, the Quotations shall be deemed to be any Full Quotation obtained from a Dealer on such tenth Business Day, or if no Full Quotation is obtained, the weighted average of any firm quotations obtained from Dealers on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations were not obtained on such day;

- (m) **Dealer** means a dealer, financial institution or fund (which, for the avoidance of doubt, shall include the Issuer (in the case of CALYON as Issuer) or any Affiliate of the Issuer) that deals or invests in obligations of the type of Obligation(s) for which Quotations are to be obtained. The Calculation Agent shall select the Dealers in good faith and in a commercially reasonable manner. Upon a selected Dealer no longer being in existence (with no successors), or not being an active dealer in the obligations of the type for which Quotations are to be obtained, the Calculation Agent may substitute any other Dealer(s) for one or more of the foregoing. Any bid quotation provided by the Issuer shall be deemed to be a firm quotation that it would provide to a counterparty in the market;
- (n) **Highest** means the highest Quotation obtained by the Calculation Agent (or in accordance with the definition of "Quotation") with respect to any Valuation Date;
- (o) **Market** means the Market Value determined by the Calculation Agent with respect to the Valuation Date; and
- (p) **Final Price** means at the option, and in the absolute discretion, of the Calculation Agent either:
 - (i) the price of the obligation being valued, expressed as a percentage, determined in accordance with the specified Valuation Method; or
 - (ii) in the event that credit derivative market dealers agree to implement a cash settlement or net settlement protocol or other market standard agreement sponsored by ISDA and providing for the determination of a marketwide settlement price with respect to the Second-to-Default Reference Entity, then such price may be used as the final price.

The Calculation Agent shall, as soon as practicable after obtaining all Quotations for a Valuation Date, notify the Issuer of each such Quotation that it receives in connection with the calculation of the Final Price and shall provide the Issuer a written computation showing its calculation of the Final Price.

8.9 Maturity Date Extension

Unless otherwise stated in the applicable Final Terms, in respect of a Credit Linked Note referencing only one Reference Entity or a First to Default Credit Linked Note (and in the latter case this paragraph shall apply only to the Reference Entity in respect of which the relevant event has occurred first in time with respect to the other Reference Entities specified in the Final Terms), if on the Scheduled Maturity Date or any earlier date of redemption of the Notes or any other payment date under the Notes:

- (i) an Event Determination Date with respect to such Reference Entity has occurred but the related Credit Event Redemption Date has not yet occurred;
- (ii) a Potential Failure to Pay with respect to such Reference Entity has occurred and Grace Period Extension is applicable in accordance with the Matrix, but the applicable grace period has not yet expired; or
- (iii) a Potential Repudiation/Moratorium has occurred with respect to such Reference Entity, to the extent that Repudiation/Moratorium is applicable in accordance with the Matrix, but such Potential Repudiation/Moratorium has not been remedied or rescinded prior to such date,

then in each case, the redemption of the Notes or such payment date under the Notes may be postponed until the related Credit Event Redemption Date, or as applicable, two Business Dates following the date upon which any such Potential Failure to Pay or Potential Repudiation/Moratorium has been cured and such date shall be deemed to be the Maturity Date for the Notes

Where the maturity of any Note has been deferred in accordance herewith, each such Note shall be redeemed in full on the extended Maturity Date in an amount equal to its applicable outstanding nominal amount.

Unless otherwise stated in the applicable Final Terms, no adjustment shall be made to the amount of any interest as a result of such delay. The Calculation Agent will notify the Issuer and the Principal Paying Agent of the extended Maturity Date and the outstanding nominal amount of each Note as soon as reasonably practicable upon determining the same, and, upon receipt of such notification, the Principal Paying Agent shall endeavour to give notice to the Noteholders in accordance with Condition 17 as soon as reasonably practicable should the Maturity Date be postponed pursuant to the foregoing.

8.10 Restructuring Credit Event Applicable

Where Restructuring is specified in the applicable Final Terms as being an applicable Credit Event, unless otherwise specified in the applicable Final Terms with respect to a specific Reference Entity, the Issuer may deliver multiple Credit Event Notices with respect to such Restructuring Credit Event. Accordingly, notwithstanding Conditions 8.1 to 8.9 above, where a Restructuring Credit Event has occurred and the Issuer has delivered a Credit Event Notice for an amount that is less than the outstanding Aggregate Nominal Amount of the Notes outstanding immediately prior to the delivery of such Credit Event Notice (the **Exercise Amount**), the provisions of Conditions 8.1 to 8.9 above shall be deemed to apply to a nominal amount equal to the Exercise Amount only and all the provisions shall be construed accordingly. Each such Note shall be redeemed in part (such redeemed part being equal to the resultant figure of the Exercise Amount divided by the number of Notes outstanding).

The Notes shall be deemed to be redeemed *pro rata* in an amount equal to the Exercise Amount only. The Notes in an amount equal to the Outstanding Amount shall remain outstanding and interest shall accrue on the Outstanding Amount as provided for in Condition 5 (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate).

In respect of any subsequent Credit Event Notices delivered:

- (a) the Exercise Amount in connection with a Credit Event Notice describing a Credit Event other than a Restructuring must be equal to the then outstanding Aggregate Nominal Amount of the Notes (and not a portion thereof); and
- (b) the Exercise Amount in connection with a Credit Event Notice describing a Restructuring Credit Event must be an amount that is at least 1,000,000 units of the currency (or, if Japanese Yen, 100,000,000 units) in which the nominal amount is denominated or any integral multiple thereof or the entire then outstanding Aggregate Nominal Amount of the Notes.

If the provisions of this Condition 8.10 apply in respect of the Notes, on redemption of part of each such Note, the relevant Note or, if the Notes are represented by a Global Note, such Global Note shall be endorsed to reflect such partial redemption.

If "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" is specified in the applicable Final Terms relating to any particular Reference Entity, and Restructuring is the only

Credit Event specified in a Credit Event Notice relating to such Reference Entity, then an obligation can only be a Deliverable Obligation if it (a) is a Fully Transferable Obligation and (b) has a final maturity date not later than the Restructuring Maturity Limitation Date.

If "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified in the applicable Final Terms relating to any particular Reference Entity, and Restructuring is the only Credit Event specified in a Credit Event Notice relating to such Reference Entity, then an obligation can only be a Deliverable Obligation if it (a) is a Conditionally Transferable Obligation and (b) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date.

8.11 General

For such period of time after the relevant Physical Settlement Date as the Issuer or any other person (other than a Noteholder) shall continue to be the legal owner of the securities, interests or other assets comprising the Deliverable Obligations (the **Intervening Period**), neither the Issuer nor any other such person shall:

- (a) be under any obligation to deliver or procure delivery to such Noteholder(s) or any subsequent beneficial owner of such securities any letter, certificate, notice, circular or any other document or payment whatsoever received by that person in its capacity as the holder of such securities; or
- (b) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such securities during the Intervening Period; or
- (c) be under any liability to such Noteholder(s) or any subsequent beneficial owner of such securities in respect of any loss or damage which such Noteholder(s) or subsequent beneficial owner may sustain or suffer as a result, whether directly or indirectly, of that person being the legal owner of such securities during such Intervening Period (including, without limitation, any loss or damage resulting from the failure to exercise any or all rights (including voting rights) attaching to such securities during the Intervening Period).

8.12 Terms relating to Successor Events

- (a) Successor
- (1) Notwithstanding the Definitions, for the purposes of these Conditions, **Successor** means:
 - (a) in relation to a Reference Entity that is not a Sovereign, the entity or entities, if any, determined as set forth below:
 - (i) if an entity directly or indirectly succeeds to 75% or more of the Relevant Obligations of the Reference Entity by way of a Succession Event, that entity will be the sole Successor;
 - (ii) if one entity directly or indirectly succeeds to more than 25% (but less than 75%) of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than 25% of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than 25% of the Relevant Obligations will be the sole Successor;
 - (iii) if more than one entity each directly or indirectly succeed to more than 25% of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than 25% of the Relevant Obligations of the Reference Entity remain with the

Reference Entity, the entities that succeed to more than 25% of the Relevant Obligations will be Successors and the Conditions and the Final Terms will be adjusted as provided in paragraph (2)(b) below;

- (iv) if one or more entities each directly or indirectly succeed to more than 25% of the Relevant Obligations of the Reference Entity by way of a Succession Event, and more than 25% of the Relevant Obligations of the Reference Entity remain with the Reference Entity, each such entity and the Reference Entity will be a Successor and the Conditions and the Final Terms will be adjusted as provided in paragraph (2)(b) below;
- (v) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than 25% of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the Reference Entity and the Conditions and the Final Terms will not be changed in any way as a result of the Succession Event; and
- (vi) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than 25% of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of the Relevant Obligations (or, if two or more entities succeed to an equal percentage of the Relevant Obligations, the entity from among those entities which succeeds to the greatest percentage of Relevant Obligations) of the Reference Entity will be the sole Successor.

(b) In relation to a Sovereign Reference Entity, **Successor** means any direct or indirect successor(s) to that Reference Entity irrespective of whether such successor(s) assumes any of the obligations of such Reference Entity.

(2) In the case of paragraph (1)(a) above, the Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but not earlier than 14 calendar days after the legally effective date of the Succession Event), and with effect from the legally effective date of the Succession Event, whether the relevant thresholds set forth above have been met, or which entity qualifies under paragraph (1)(a)(vi) above, as applicable. In calculating whether the percentages used to determine whether the relevant thresholds set forth above have been met, or which entity qualifies under paragraph (1)(a)(vi) above, as applicable, the Calculation Agent shall use, in respect of each applicable Relevant Obligation included in such calculation, the amount of the liability in respect of such Relevant Obligation listed in the Best Available Information (as defined below). In the case of Notes listed on a stock exchange, the appropriate documentation will be filed with the relevant stock exchange.

(b) Adjustments following a Succession Event resulting in more than one Successor

(1) If, pursuant to paragraph (a)(1)(a)(iii) or (a)(1)(a)(iv) above, more than one Successor has been identified and where there is only one Reference Entity, then each Note shall be deemed, solely for purposes of the partial redemption provisions set out in this paragraph (b), to be divided into the same number of new Notes (each a **New Note**) as there are Successors, with the following terms:

- (i) each Successor will be the Reference Entity for the purposes of one of the New Notes; and
- (ii) in respect of each New Note, the principal amount will be the principal amount of the Note divided by the number of Successors.

- (2) If an Event Determination Date occurs in respect of a Reference Entity in relation to a New Note (the **Affected New Note**), each Note will be partially written down in an amount equal to the principal amount of the relevant New Note (the aggregate of such principal amounts being the relevant **Partial Redemption Amount**) and the principal amount corresponding to the Affected New Note shall be settled by Delivery of the Deliverable Obligation or payment of the Cash Settlement Amount, as applicable. In such case, the provisions of this Condition 8 and the other provisions of the Final Terms shall apply to a principal amount of the Notes equal to the Partial Redemption Amount only and all such provisions shall be construed accordingly.
- (3) The Notes, in an amount equal to their outstanding principal amount prior to any such partial redemption less the Partial Redemption Amount, shall remain outstanding (the **Principal Amount Outstanding**), subject to the Conditions and the Final Terms, which shall otherwise continue in full force and effect, including, without limitation, the accrual of interest on the Principal Amount Outstanding of such Notes as provided in Condition 5 and in the Final Terms (adjusted to reflect the partial redemption under this paragraph (b) and otherwise in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate).
- (4) In respect of First-to-Default Credit Linked Notes, if, pursuant to paragraph (a) above the number of Reference Entities has decreased due to the Succession Event, the Calculation Agent shall replace any one or more entities that has ceased to exist (each a **Predecessor**) by choosing, to the extent reasonably practicable, a replacement entity (i) from the same Moody's industry group and geographical region as each Predecessor, and (ii) with a bid-side credit spread not greater than 110% of such spread of the Predecessor as at the date of the relevant Succession Event, and each such replacement entity shall be deemed to be a Reference Entity for purposes hereof.

If more than one entity becomes a Successor to any particular Reference Entity, the Reference Portfolio will be deemed to be divided into the same number of reference portfolios as there are Successors (each such portfolio, a **New Reference Portfolio**), each Note shall be deemed, solely for purposes of the provisions set out in this paragraph (b), to be divided into the same number of new Notes (each a **New Note**) as there are New Reference Portfolios provided that the notional amount of each New Reference Portfolio will be equivalent, and the aggregate of the notional amounts will equal the Aggregate Nominal Amount. Each Successor will be a Reference Entity for the purposes of one of the New Reference Portfolios and the New Notes and each of the Reference Entities that is not subject to the applicable Succession Event shall be a Reference Entity for the purposes of each and every one of the New Reference Portfolios and New Notes. For the avoidance of doubt, following the creation of the New Reference Portfolios and New Notes, if a Credit Event occurs with respect to a Reference Entity in one New Reference Portfolio, but not in any other New Reference Portfolio, the Issuer will settle such Notes relating to the relevant New Reference Portfolio containing such Reference Entity, and each Note will be written down proportionately.

- (5) For the avoidance of doubt:
 - (i) notwithstanding the occurrence of a Credit Event in respect of a Reference Entity and partial reduction of the principal amount of the Notes as provided in paragraph (b), nothing shall prevent the Calculation Agent from delivering a further Credit Event Notice in respect of any Credit Event that may occur in respect of any other Reference Entity; and
 - (ii) the provisions of this Condition 8.12 (as a whole) shall apply to the portion of each Note represented by a New Note in the case of any subsequent Succession Event affecting the relevant Reference Entity.
- (6) If the Notes are partially written down pursuant to this paragraph (b), each such Note or, if the Notes are represented by a Global Note, such Global Note, shall be endorsed to reflect such partial reduction of principal.

- (7) The Calculation Agent shall adjust any other of the Conditions and/or the applicable Final Terms as it in its sole and absolute discretion acting in a commercially reasonable manner shall determine to be appropriate to reflect that the relevant Reference Entity has been succeeded by more than one Successor and shall determine the effective date of that adjustment. The Calculation Agent shall be deemed to be acting in a commercially reasonable manner if it adjusts any of the Conditions and/or the applicable Final Terms in such a manner as to reflect the adjustment to and/or division of any credit derivative transaction(s) related to or underlying the Notes in accordance with the Definitions.
- (8) Upon the Calculation Agent determining the identity of more than one Successor in accordance with the provisions of this paragraph (b), the Issuer shall give notice as soon as practicable to Noteholders in accordance with Condition 17), stating the adjustments it has made to the Conditions and/or the applicable Final Terms (including, *inter alia*, specifying the names of the Successors, setting out the Partial Redemption Amount, and giving brief details of the relevant Succession Event).
- (9) Where:
- (i) one or more Successors to the Reference Entity have been identified; and
 - (ii) any one or more such Successors have not assumed the Reference Obligation,
- a Substitute Reference Obligation will be determined by the Calculation Agent.

Substitute Reference Obligation means, for the purposes of this Condition 8.12, one or more obligations of the Reference Entity (either directly or as provider of any Qualifying Guarantee) that will replace one or more Reference Obligations, identified by the Calculation Agent in accordance with the following procedures:

- (a) In the event that (i) a Reference Obligation is redeemed in whole or (ii) in the opinion of the Calculation Agent (A) the aggregate amounts due under any Reference Obligation have been materially reduced by redemption or otherwise (other than due to any scheduled redemption, amortization or prepayments), (B) any Reference Obligation is an Underlying Obligation with a Qualifying Guarantee of a Reference Entity and, other than due to the existence or occurrence of a Credit Event, the Qualifying Guarantee is no longer a valid and binding obligation of such Reference Entity enforceable in accordance with its terms, or (C) for any other reason, other than due to the existence or occurrence of a Credit Event, any Reference Obligation is no longer an obligation of a Reference Entity, the Calculation Agent shall identify one or more Obligations to replace such Reference Obligation.
- (b) Any Substitute Reference Obligation or Substitute Reference Obligations shall be an Obligation that (1) ranks *pari passu* (or, if no such Obligation exists, then, at the Calculation Agent's option, an Obligation that ranks senior) in priority of payment with such Reference Obligation (with the ranking in priority of payment of such Reference Obligation being determined as of the later of (A) the Issue Date and (B) the date on which such Reference Obligation was issued or incurred and not reflecting any change to such ranking in priority of payment after such later date), (2) preserves the economic equivalent, as closely as practicable as determined by the Calculation Agent in good faith and a commercially reasonable manner, of the delivery and payment obligations under the Notes and (3) is an obligation of a Reference Entity (either directly or as provider of a Qualifying Guarantee). The Substitute Reference Obligation or Substitute Reference Obligations identified by the Calculation Agent shall, without further action, replace such Reference Obligation(s).
- (c) If more than one specific Reference Obligation is identified as a Reference Obligation in relation to the Final Terms, any of the events set forth under sub-paragraph (a) above has occurred with respect to one or more but not all of the Reference Obligations, and the Calculation Agent determines in good faith and in a commercially reasonable manner that

no Substitute Reference Obligation is available for one or more of such Reference Obligations, each Reference Obligation for which no Substitute Reference Obligation is available shall cease to be a Reference Obligation.

- (d) If more than one specific Reference Obligation is identified as a Reference Obligation in the Final Terms, any of the events set forth under sub-paragraph (a) above has occurred with respect to all of the Reference Obligations, and the Calculation Agent determines in good faith and a commercially reasonable manner that at least one Substitute Reference Obligation is available for any such Reference Obligation, then each such Reference Obligation shall be replaced by a Substitute Reference Obligation and each Reference Obligation for which no Substitute Reference Obligation is available will cease to be a Reference Obligation.
 - (e) If (i) more than one specific Reference Obligation is identified as a Reference Obligation in the Final Terms, any of the events set forth under sub-paragraph (a) above has occurred with respect to all of the Reference Obligations and the Calculation Agent determines in good faith and a commercially reasonable manner that no Substitute Reference Obligation is available for any of the Reference Obligations, or (ii) only one specific Reference Obligation is identified as a Reference Obligation, any of the events set forth under sub-paragraph (a) above has occurred with respect to such Reference Obligation and the Calculation Agent determines in good faith and a commercially reasonable manner that no Substitute Reference Obligation is available for that Reference Obligation, then the Calculation Agent shall continue to attempt to identify a Substitute Reference Obligation until the Scheduled Maturity Date.
 - (f) For purposes of identification of a Reference Obligation, any change in the Reference Obligation's CUSIP or ISIN number or other similar identifier will not, in and of itself, convert such Reference Obligation into a different Obligation.
- (10) In the event that (i) the Guarantor (or any Affiliate thereof) becomes a Successor to any Reference Entity as a result of a Succession Event or (ii) the Guarantor (or any Affiliate thereof) and any Reference Entity become Affiliates, then the Calculation Agent shall in good-faith replace such Reference Entity with another entity, which shall constitute a Reference Entity for purposes of these Notes, such replacement Reference Entity being of substantially similar credit quality, ratings, and if reasonably practicable, the same industry classification (as defined by Moody's Investors Service Inc.) as such Reference Entity, that will not cause the implied credit quality of the Notes to change relative to such implied credit quality immediately prior to the day such Succession Event was legally effective, in each case as determined by the Calculation Agent.
- (11) For the purposes of this paragraph (b), the following definitions shall apply and, where relevant, shall modify the definitions set out elsewhere in the Conditions and/or the applicable Final Terms:

Best Available Information means:

- (i) in the case of a Reference Entity which files information (including unconsolidated, pro forma financial information which assumes that the relevant Succession Event has occurred) with its primary securities regulators or primary stock exchange or which provides such information to its shareholders, creditors or other persons whose approval of the Succession Event is required, that unconsolidated, pro forma financial information or, if provided subsequently to unconsolidated, pro forma financial information but before the Calculation Agent makes its determination for the purposes of this paragraph (b), other information that is contained in any written communication provided by the Reference Entity to its primary securities regulators, primary stock exchange, shareholders, creditors or other persons whose approval of the Succession Event is required; or

- (ii) in the case of a Reference Entity which does not file with securities regulators or a stock exchange, or which does not provide to shareholders, creditors or other persons whose approval of the Succession Event is required, the information contemplated in (i) above, the best publicly available information at the disposal of the Calculation Agent to allow it to make a determination for the purposes of this paragraph (b).

Information which is made available more than 14 days after the legally effective date of the Succession Event shall not constitute Best Available Information.

Relevant Obligations means the Obligations constituting Bonds and Loans of the Reference Entity outstanding immediately prior to the effective date of the Succession Event, excluding any debt obligations outstanding between the Reference Entity and any of its Affiliates, as determined by the Calculation Agent. The Calculation Agent will determine the entity to which such Relevant Obligations are transferred on the basis of the Best Available Information. If the date on which the Best Available Information is available or is filed precedes the legally effective date of the relevant Succession Event, any assumptions as to the allocation of obligations between or among entities contained in the Best Available Information will be deemed to have been fulfilled as of the legally effective date of the Succession Event, whether or not this is in fact the case.

Succession Event means an event such as a merger, demerger, consolidation, amalgamation, transfer of assets or liabilities, demerger, spin-off or other similar event in which one entity succeeds to the obligations of another entity whether by operation of law or pursuant to any agreement. Notwithstanding the foregoing, "Succession Event" shall not include an event in which the holders of obligations of the Reference Entity exchange such obligations for the obligations of another entity, unless such exchange occurs in connection with a merger, consolidation, amalgamation, transfer of assets or liabilities, demerger, spin-off or other similar event.

For the purposes of this Condition 8.12, **succeed** means, with respect to a Reference Entity and its Relevant Obligations (or, as applicable, obligations), that a party other than such Reference Entity (i) assumes or becomes liable for such Relevant Obligations (or, as applicable, obligations) whether by operation of law or pursuant to any agreement or (ii) issues Bonds that are exchanged for Relevant Obligations (or, as applicable, obligations), and in either case such Reference Entity is no longer an obligor (primarily or secondarily) or guarantor with respect to such Relevant Obligations (or, as applicable, obligations). The determinations required pursuant to sub-paragraph (a) above shall be made, in the case of an exchange offer, on the basis of the outstanding principal balance of Relevant Obligations tendered and accepted in the exchange and not on the basis of the outstanding principal balance of Bonds for which Relevant Obligations have been exchanged.

Subsequent to a Succession Event, the Obligation Characteristics and Deliverable Obligation Characteristics of any Successor shall continue to be the same Obligation Characteristics and Deliverable Obligation Characteristics of the relevant predecessor Reference Entity of such Successor, unless the Calculation Agent notifies the Issuer and the Noteholders that the Obligation Characteristics and/ or Deliverable Obligation Characteristics have been updated to reflect the then market standard based upon each such Successor's geographic region of organisation or jurisdiction.

- (i) for so long as the Notes are represented by a Global Note, a notice to DTC and/or Euroclear and/or Clearstream, Luxembourg, as the case may be, with a copy to any Paying Agent or the Registrar, as the case may be, and the Issuer, via the EUCLID System (a EUCLID Notice) or by such other appropriate means which shall be specified in the applicable Final Terms; or
- (ii) if the Note is in definitive form, a completed Asset Transfer Notice substantially in the form set out in the Agency Agreement (the **Asset Transfer Notice**) (a copy of which may be obtained from the specified office of any of the Paying Agents) with a copy to the Issuer.

 - (D) provide the Noteholder's Certification that it is not a U.S. person, or a person acting on behalf of a U.S. person, or a person within the United States (as such terms are defined in Regulation S under the Securities Act); and
 - (E) authorise the production of such notice in any applicable administrative or legal proceedings.
- (iv) The Asset Transfer Notice referred to above must:
 - (A) specify the name and address of the person from whom the Delivery Agent may obtain details for delivery of the Physical Settlement Amount;

- (B) authorise the production of such notice in any applicable administrative or legal proceedings; and
 - (C) provide the Noteholder's Certification that it is not a U.S. person, or a person acting on behalf of a U.S. person, or a person within the United States (as such terms are defined in Regulation S under the Securities Act).

 - (vii) Failure properly to complete and deliver a Notice may result in such Notice being treated as null and void. Any determination as to whether a notice has been properly completed and delivered as provided in this Condition 11(a) shall be made by DTC, Euroclear or Clearstream, Luxembourg or the Issuer, as the case may be, after consultation with the Delivery Agent and shall be conclusive and binding on the Issuer and the relevant Noteholder.

(b) *Procedure by the Issuer and others*

Upon receipt of a duly completed Notice and (in the case of Notes in definitive form) the Definitive Note to which such Notice relates, the relevant Paying Agent or the Registrar, as the case may be, DTC, Euroclear or Clearstream, Luxembourg, as the case may be, shall verify that the person specified therein as the accountholder is the holder of the Notes referred to therein according to its books.

Subject as provided herein, in relation to each Note, the Physical Settlement Amount will be delivered at the risk of the relevant Noteholder in such commercially reasonable manner as the Delivery Agent shall, in its sole discretion, determine to be appropriate for such delivery on the due date for redemption for the Notes, provided that the relevant Note in definitive form and the Notice are delivered not later than the close of business in Luxembourg on the day (the **Notice Cut-Off Date**) which is five Business Days before the due date for redemption of the Notes.

(c) *Delay or Failure to Deliver Notice*

If the relevant Note in definitive form and the Notice are delivered to the Issuer later than close of business on the Notice Cut-Off Date, then the Physical Settlement Amount will be delivered (but without prejudice to the provisions of the applicable Final Terms) as soon as practicable after the due date for redemption of the Notes, at the risk of such Noteholder.

For the avoidance of doubt, such Noteholder shall not be entitled to any payment or other assets, whether of interest or otherwise, in the event of the delivery of the Physical Settlement Amount falling after the due date for redemption of the Notes pursuant to the provisions of this Condition 10 or otherwise due to circumstances beyond the control of the Issuer.

If the relevant Noteholder fails to deliver a Notice in the manner set out in these Conditions or delivers a Notice on any day falling after the day that is 180 calendar days after the Notice Cut-Off Date or, in the case of Notes in definitive form, fails to deliver the definitive Note related thereto or fails to pay the expenses referred to in Condition 10(d), the Issuer shall be discharged from its obligation in respect of such Note and shall have no further obligation or liability whatsoever in respect thereof.

(d) *Costs and Expenses*

All expenses including any applicable depository charges, transaction or exercise charges, stamp duty, stamp duty reserve tax and/or other taxes or duties (together **Delivery Expenses**) arising from the delivery and/or transfer of the Physical Settlement Amount shall be for the account of the relevant Noteholder and no delivery and/or transfer of the Physical Settlement Amount shall be made until all Delivery Expenses have been paid to the satisfaction of the Delivery Agent by the relevant Noteholder.

(e) *Fractional Entitlement*

If the Physical Settlement Amount comprises less than a whole number of securities at the relevant time, then (i) the Issuer shall not deliver and the relevant Noteholder shall not be entitled to receive in respect of its Notes that fraction of a security (the **Fractional Entitlement**) and (ii) the Issuer shall pay to the relevant Noteholder a cash amount (to be paid at the same time as the securities comprising the Physical Settlement Amount), as determined by the Calculation Agent, as specified in the applicable Final Terms, and such cash amount shall be deemed a part of the Physical Settlement Amount for the purposes of these Terms and Conditions.

(f) *Delivery at risk of Noteholder*

Delivery of the Physical Settlement Amount by the Issuer to the Noteholder shall be at the risk of the Noteholder and no additional payment or delivery will be due to a Noteholder where the Physical Settlement Amount is delivered after its due date in circumstances beyond the control of either the Issuer or the Delivery Agent.

(g) *No further liability of Issuer*

After delivery of the Physical Settlement Amount by the Issuer to a Noteholder pursuant to this Condition, but prior to the time when the Noteholder (or his designee) becomes registered as a holder of the relevant underlying security (the **Intervening Period**), neither the Issuer nor its agent or nominee shall (i) be under any obligation to deliver to such Noteholder or any subsequent beneficial owner of such relevant underlying security any letter, certificate, notice, circular, dividend or any other document or payment whatsoever received by the Issuer or its agent or nominee in its capacity as the registered holder of such relevant underlying security, (ii) exercise any or all rights (including voting rights) attaching to such relevant underlying security during the Intervening Period without the prior written consent of the relevant Noteholder, provided that neither the Issuer nor its agent or nominee shall be under any obligation to exercise any such rights during the Intervening Period, or (iii) be under any liability to such Noteholder or any subsequent beneficial owner of such relevant underlying security in respect of any loss or damage which such Noteholder or subsequent beneficial owner may sustain or suffer as a result, whether directly or indirectly, of the Issuer or its agent or nominee being registered during such Intervening Period as legal owner of such relevant underlying security.

(h) *Settlement Disruption (Equity Linked Notes)*

If, in relation to an Equity Linked Redemption Note, Physical Settlement is specified in the applicable Final Terms and in the opinion of the Calculation Agent, transfer of the Shares constituting the Equity Linked Physical Settlement Amount cannot be effected on the Equity Linked Redemption Date due to a Settlement Disruption Event having occurred on such date, then such Equity Linked Redemption Date shall be postponed to the first Clearing System Business Day on which there is no Settlement Disruption Event; provided, however, that in no event shall any Equity Linked Redemption Date be later than the tenth Clearing System Business Day after the date which would have been the Equity Linked Redemption Date had no Settlement Disruption Event occurred. If in respect of such tenth Clearing System Business Day (i) the delivery of the Shares constituting

the Equity Linked Physical Settlement Amount is still not practicable by reason of a Settlement Disruption Event and (ii) the Calculation Agent determines that the Shares cannot be reasonably and promptly delivered by any other means, then, in lieu of Physical Settlement as provided in this Condition 10, the Issuer shall be entitled to pay to or to the order of the relevant Noteholder(s) the Settlement Disruption Amount and payment of such sum shall constitute full and final satisfaction of the Issuer's obligations under the relevant Notes and the Issuer shall be under no obligation to pay any further amount in respect of such Notes.

(i) *Illegality (Equity Linked Notes)*

If, in relation to an Equity Linked Redemption Note, Physical Settlement is specified in the applicable Final Terms and in the opinion of the Calculation Agent, transfer of the Shares constituting the Equity Linked Physical Settlement Amount cannot be effected on the Equity Linked Redemption Date due to any illegality (including, without limitation due to any law, rule, regulation, judgment, order, directive or decree) and the Calculation Agent determines that the Shares cannot be reasonably and promptly delivered by any other means, then, in lieu of Physical Settlement as provided in this Condition 10, the Issuer shall be entitled to pay to or to the order of the relevant Noteholder(s) the Illegality Cash Settlement Amount and payment of such sum shall constitute full and final satisfaction of the Issuer's obligations under the relevant Notes and the Issuer shall be under no obligation to pay any further amount in respect of such Notes.

- (a) any modification (except as mentioned above) of the Notes, the Receipts, the Coupons or Agency Agreement which is not prejudicial to the interests of the Noteholders; or
- (b) any modification of the Notes, the Receipts, the Coupons or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 17 as soon as practicable thereafter.

19. FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders, the Receiptholders or the Couponholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

20. SUBSTITUTION OF THE ISSUER

(a) *Conditions Precedent to Substitution*

The Issuer (such term including, for the purposes of this Condition only, any company previously substituted pursuant to this Condition 20) may, without the consent of the Noteholders, be replaced and substituted by another company designated by the Issuer or (in the case of Notes issued by CFP, CFG or CFS) the Guarantor as principal debtor (the **Substituted Debtor**) in respect of the Notes provided that:

- (i) (A) a deed poll in or substantially in the form scheduled to the Agency Agreement shall be executed by the Substituted Debtor pursuant to which the Substituted Debtor shall undertake in favour of each Noteholder (such term including, for the purposes of this Condition only, Couponholders and Receiptholders) to be bound by the Terms and Conditions of the Notes and the provisions of the Agency Agreement and the Deed of Covenant as fully as if the Substituted Debtor had been named in the Notes and the Agency Agreement and the Deed of Covenant as the principal debtor in respect of the Notes in place of the Issuer, (B) a deed of guarantee in or substantially in the form scheduled to the Agency Agreement shall be executed by the Issuer (in the case of Notes issued by CALYON) or the Guarantor (in the case of Notes issued by CFP, CFG or CFS) pursuant to which the Issuer or the Guarantor (as the case may be) shall irrevocably and unconditionally guarantee in favour of each Noteholder the payment of all sums payable by the Substituted Debtor as such principal debtor and (C) such other documents (if any) (together with the deed poll and the deed of guarantee above, the Documents) shall be executed by the Substituted Debtor, the Issuer or the Guarantor (as the case may be) as may be necessary to give full effect to the substitution;
- (ii) without prejudice to the generality of paragraph (i) above, where the Substituted Debtor is incorporated, domiciled or resident for taxation purposes in a territory other than the Issuer's jurisdiction of incorporation (originally France in the case of Notes issued respectively by CALYON and Guernsey in the case of Notes issued by CFP CFG or CFS), the Documents shall contain a covenant by the Substituted Debtor and/or such other provisions as may be necessary to ensure that each Noteholder has the benefit of a covenant in terms corresponding to the provisions of Condition 11 with the substitution for the references to the Issuer's jurisdiction of incorporation of references to the territory or territories in which the Substituted Debtor is incorporated, domiciled and/or resident for taxation purposes so

that the Noteholders are placed in no weaker a position by reason of the substitution than they would have been had such substitution not taken place;

- (iii) the Documents shall contain a warranty and representation by the Substituted Debtor and the Issuer or the Guarantor (as the case may be) (A) that the Substituted Debtor and the Issuer or the Guarantor (as the case may be) have obtained all necessary governmental and regulatory approvals and consents for such substitution and for the giving by the Issuer or the Guarantor (as the case may be) of a guarantee in respect of the obligations of the Substituted Debtor and the Issuer or the Guarantor (as the case may be) and for the performance by each of the Substituted Debtor and the Issuer or the Guarantor (as the case may be) of its obligations under the Documents and that all such approvals and consents are in full force and effect and (B) that the obligations assumed by each of the Substituted Debtor and the Issuer or the Guarantor (as the case may be) under the Documents are all legal, valid and binding in accordance with their respective terms;
- (iv) each stock exchange or market on which the Notes are listed or admitted to trading shall have confirmed that following the proposed substitution of the Substituted Debtor the Notes will continue to be listed on such stock exchange;
- (v) the Substituted Debtor shall have delivered, or procured the delivery, to the Principal Paying Agent of a legal opinion from a leading firm of lawyers acting for the Substituted Debtor to the effect that the documents will upon execution constitute legal, valid and binding obligations of the Substituted Debtor, such opinion to be dated not more than seven days prior to the date of the substitution of the Substituted Debtor for the Issuer and to be available for inspection by Noteholders at the specified office of the Principal Paying Agent;
- (vi) the Issuer or the Guarantor (as the case may be) shall have delivered, or procured the delivery, to the Principal Paying Agent of a legal opinion from a leading firm of lawyers acting for the Issuer or the Guarantor (as the case may be) to the effect that the Documents (including the guarantee given by the Issuer or the Guarantor (as the case may be) in respect of the Substituted Debtor) will upon execution constitute legal, valid and binding obligations of the Issuer or the Guarantor (as the case may be), such opinion to be dated not more than seven days prior to the date of substitution of the Substituted Debtor for the Issuer and to be available for inspection by Noteholders at the specified office of the Principal Paying Agent;
- (vii) the Issuer or the Guarantor (as the case may be) shall have delivered, or procured the delivery, to the Principal Paying Agent of a legal opinion from a leading firm of English lawyers to the effect that the Documents (including the guarantee given by the Issuer or the Guarantor (as the case may be) in respect of the Substituted Debtor) will upon execution constitute legal, valid and binding obligations of the parties thereto under English law, such opinion to be dated not more than seven days prior to the date of substitution of the Substituted Debtor for the Issuer and to be available for inspection by Noteholders at the specified office of the Principal Paying Agent;
- (viii) the Substituted Debtor shall have appointed the process agent appointed by the Issuer in Condition 25 or another person with an office in England as its agent in England to receive service of process on its behalf in relation to any legal action or proceedings arising out of or in connection with the Notes; and
- (ix) in the case of Swedish Notes, the Swedish CSD has given its consent to the substitution (which consent shall not be unreasonably withheld or delayed).

(b) *Assumption by Substitute Debtor*

Upon execution of the Documents as referred to in paragraph (a) above, and subject to the other requirements therein having been met, (i) the Substituted Debtor shall be deemed to be named in the Notes as the principal debtor in place of the Issuer, (ii) the Notes, the Deed of Covenant and the Agency Agreement shall thereupon be deemed to be amended to give effect to the substitution including (where the context allows) substituting references to the Issuer's jurisdiction of incorporation (originally France in the case of Notes issued respectively by CALYON and CFS and Guernsey in the case of Notes issued by CFP or CFG) with references to the Substitute Debtor's jurisdiction of incorporation and (iii) the Issuer shall be released as issuer from (A) in the case of Notes issued by CALYON, all of its obligations as principal debtor in respect of the Notes or (B) in the case of Notes issued by CFP, CFG or CFS, all of its obligations in respect of the Notes.

(c) *Deposit of Documents*

The Documents shall be deposited with and held by the Principal Paying Agent for so long as any Note remains outstanding and for so long as any claim made against the Substituted Debtor, the Issuer or (in the case of Notes issued by CFP, CFG or CFS) the Guarantor by any Noteholder in relation to the Notes or the Documents shall not have been finally adjudicated, settled or discharged. The Substituted Debtor and the Issuer or the Guarantor (as the case may be) shall acknowledge in the Documents the right of every Noteholder to production of the Documents for the enforcement of any of the Notes or the Documents. In the case of Notes listed on a stock exchange, the appropriate documentation will be filed with the relevant stock exchange.

(d) *Notice of Substitution*

Not less than 15 days after execution of the Documents, the Substituted Debtor shall give notice thereof to the Noteholders in accordance with Condition 17. For the avoidance of doubt, non-delivery of such notice shall not invalidate the substitution.

21. REPRESENTATIONS AND ACKNOWLEDGEMENTS (CREDIT LINKED NOTES, COMMODITY LINKED NOTES, EQUITY LINKED NOTES, FUND LINKED NOTES AND INDEX LINKED NOTES)

EACH NOTEHOLDER (BEING IN THE CASE OF NOTES HELD BY A NOMINEE OR HELD IN A CLEARING SYSTEM, THE BENEFICIAL OWNER OF THE NOTES), BY SUBSCRIBING OR PURCHASING THE NOTES OR AN INTEREST IN THE NOTES, CONFIRMS THAT ALL OF THE FOLLOWING STATEMENTS WITH RESPECT TO THAT NOTEHOLDER ARE TRUE AND CORRECT ON THE DATE OF THE SUBSCRIPTION OR PURCHASE OF THE NOTES AND ACKNOWLEDGES THAT THE ISSUER HAS RELIED ON SUCH CONFIRMATION AND UNDERSTANDING IN ISSUING THE NOTES:-

In the case of Credit Linked Notes, Commodity Linked Notes, Equity Linked Notes, Fund Linked Notes and Index Linked Notes:

- (a) The Noteholder has itself been, and will at all times continue to be, solely responsible for making its own independent appraisal of and investigation into the business, financial condition, prospects, creditworthiness, status and affairs of the Issuer.
- (b) The Noteholder's purchase of the Notes (i) is fully consistent with its financial needs, objectives and condition, (ii) complies with and is fully consistent with all investment policies, guidelines and restrictions applicable to it, and (iii) is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.
- (c) Except for the publication of the Base Prospectus dated 26 September 2008 (the Base Prospectus), the Noteholder has not relied, and will not at any time rely, on the Issuer or any

other member of the CALYON group of companies (the Group) in connection with its determination as to the legality or the associated merits or risks of its purchase of the Notes or as to the other matters referred to in paragraph (b) above, or to provide it with any information relating to, or to keep under review on its behalf, the business, financial condition, prospects, creditworthiness, status or affairs of the Issuer.

- (d) The Noteholder has sufficient knowledge, experience in financial and business matters and has taken sufficient independent professional advice to make its own evaluation of the merits and risks of investment in the Notes and is not relying on either the views or advice of, or any information with respect to, the Issuer provided by the Issuer (except for any views or advice of, or information with respect to the Issuer contained in the Base Prospectus) and/or any other member of the Group in that regard.
- (e) The Noteholder's purchase of the Notes is lawful under the laws of the jurisdiction of its incorporation and the jurisdiction in which it operates (if different), and that such purchase will not contravene any law, regulation or regulatory policy applicable to it.
- (f) The Noteholder acknowledges that the Issuer is not an agent of the Noteholder for any purpose.
- (g) The Noteholder (except where the Noteholder is acting as dealer appointed under the Programme) is purchasing the Notes as principal for its own account, and/or for the account of its clients for whom the Noteholder is acting as an authorised representative, for either investment, financial intermediation, hedging or other commercial purposes and not with a view to, or for resale in connection with, any distribution or any disposition thereof, and no other person, other than the Noteholder and/or such clients, has or will have a direct or indirect beneficial interest in the Notes, other than by virtue of such person's direct or indirect beneficial interest in the Noteholder and/or such clients.
- (h) Having been sent a term sheet with respect to the Notes on or prior to the issue date, the initial Noteholder of the Notes has read the term sheet and, having been given an opportunity to comment on the term sheet, it understands the terms and conditions of the Notes and, in particular, those provisions relating to redemption, and it shall be bound by and deemed to have notice of the terms and conditions of the Notes.

In addition, in the case of Index Linked Notes:

- (a) The amounts payable in respect of principal and/or interest (as the case may be) are determined by a formula linked to the value of an Index. Movements in the Index may therefore adversely affect the amount of principal and/or interest to be repaid to the Noteholder and may also adversely affect the market value of the Notes prior to maturity. The amount of principal to be repaid on the Maturity Date may be less than the stated principal amount of the Notes or may even be zero.

In addition, in the case of Credit Linked Notes:

- (a) The Noteholder has itself been, and will at all times continue to be, solely responsible for making its own independent appraisal of and investigation into the business, financial condition, prospects, creditworthiness, status and affairs of the Reference Entity and its own independent appraisal of the Reference Obligation. The Noteholder acknowledges that the amount of principal to be repaid on the Maturity Date may be less than the stated principal amount of the Notes or may even be zero.
- (b) The Noteholder has not relied, and will not at any time rely, on the Issuer or any other member of the Group (i) to provide it with any information relating to, or to keep under

review on its behalf, the business, financial condition, prospects, creditworthiness, status or affairs of the Reference Entity or conduct any investigation or due diligence with respect to the Reference Entity or the Reference Obligation or (ii) to determine whether or not at the date hereof a Credit Event or an event or circumstance which, with the giving of notice or the passage of time or both, could constitute a Credit Event has occurred.

- (c) In issuing the Notes, the Issuer is not making, and has not made, any representation whatsoever as to the Reference Entity, the Reference Obligation or any information contained in any document filed by the Reference Entity with any exchange or with any government entity regulating the purchase and sale of securities.
- (d) The Noteholder acknowledges that the Notes are not and do not represent or convey any interest in the Reference Obligation nor a direct or indirect obligation of the Reference Entity owing to the Noteholder and that the Issuer is not an agent of the Noteholder for any purpose.
- (e) The Issuer and each company in the Group may accept deposits from, make loans or otherwise extend credit to, and generally engage in any kind of commercial or investment banking or other business with, the Reference Entity, or its affiliates or any other person or entity having obligations relating to the Reference Entity or the Reference Obligation and may act with respect to such business freely and without accountability to the Noteholder in the same manner as if the Notes did not exist, regardless of whether any such action might have an adverse effect on the Reference Obligations, the Reference Entity or such Noteholder.
- (f) The Issuer and each company in the Group may, whether by virtue of the types of relationships described above or otherwise, at the date hereof or at any time hereafter be in possession of information in relation to the Reference Obligations or the Reference Entity which is or may be material in the context of the Notes and which is or may not be known to the general public or the Noteholder. The Notes do not create any obligation on the part of the Issuer nor any company in the Group to disclose to the Noteholder any such relationship or information (whether or not confidential) and neither the Issuer nor any other company in the Group shall be liable to the Noteholder by reason of such non-disclosure.
- (g) The Noteholder acknowledges that terms of the Notes are binding upon it, irrespective of the existence or amount of the Issuer's, the Noteholder's or any person's credit exposure to the Reference Entity, and the Issuer need not suffer any loss or provide evidence of any loss as a result of the occurrence of a Credit Event.
- (h) The Noteholder acknowledges and agrees to abide by the transfer restrictions on transfers of the Notes set forth in the section entitled "Subscription and Sale" of the Base Prospectus. The Noteholder further acknowledges that it will fully bear any financial or other liability arising from any breaches by it or its agents of such restrictions.

In addition, in the case of Commodity Linked Notes:

- (a) The amounts payable in respect of principal and/or interest (as the case may be) are determined by a formula linked to the value of a commodity. Movements in the value of the commodity may therefore adversely affect the amount of principal and/or interest to be repaid to the Noteholder and may also adversely affect the market value of the Notes prior to maturity. The amount of principal to be repaid on the Maturity Date may be less than the stated principal amount of the Notes or may even be zero.

In addition, in the case of Equity Linked Notes:

- (a) The amounts payable in respect of principal and/or interest (as the case may be) are determined by a formula linked to the value of an underlying security. Movements in the value of the underlying security may therefore adversely affect the amount of principal and/or interest to be repaid to the Noteholder and may also adversely affect the market value of the Notes prior to maturity. The amount of principal to be repaid on the Maturity Date may be less than the stated principal amount of the Notes or may even be zero.
- (b) The Noteholder has such knowledge and experience in financial and business matters and expertise in assessing credit risk that it is capable of evaluating merits, risks and suitability of investing in the Notes and that it is relying exclusively on its own sources of information and credit analysis with respect to the Notes and the Shares or the relevant Shares and the country in which the Company or each relevant Company is incorporated or formed and/or all other relevant persons or entities existing in that country and the Notes.
- (c) The Noteholder has itself been, and will at all times continue to be, solely responsible for making its own independent appraisal of and investigation into the business, financial condition, prospects, creditworthiness, status and affairs of the Issuer and the Company or each relevant Company.
- (d) In issuing the Notes, the Issuer is not making, and has not made, any representations whatsoever as to the Company or each relevant Company or any information contained in any document filed by the Company or each relevant Company with any exchange or with any governmental entity regulating the purchase and sale of securities.
- (e) The Noteholder acknowledges that the Notes are not and do not represent or convey any interest in, a direct or indirect obligation of the Company or each relevant Company and that the Issuer is not an agent of the Noteholder for any purpose.
- (f) The Noteholder acknowledges that the delivery of any Equity Linked Physical Settlement Amount is subject to all applicable laws, regulations and practices in force at the time of delivery of the Shares or each relevant Share. The Noteholder further acknowledges that the delivery of any Shares or each relevant Share to the Noteholder is lawful under the laws of the jurisdiction in which the Company or each relevant Company is incorporated or formed and any other applicable laws and regulations.
- (g) The Issuer and each Group company may accept deposits from, make loans or otherwise extend credit to, and generally engage in any kind of commercial or investment banking business with the Company or each relevant Company or its affiliates or any other person or entity having obligations relating to the Company or each relevant Company and may act with respect to such business without accountability to the Noteholder in the same manner as if the Notes did not exist, regardless of whether any such action might have an adverse effect on the Noteholder.
- (h) The Issuer and any Group company may have existing or future business relationships with the Noteholder (including, but not limited to, lending, depositary, risk management, advisory and banking relationships), and will pursue actions and take steps that it deems or they deem necessary or appropriate to protect its or their interests arising therefrom without regard to the consequences for the Noteholder.
- (i) The Issuer and each Group company may, whether by virtue of the types of relationships described above or otherwise, at the date hereof or at any time hereafter, be in possession of information in relation to the Company or each relevant Company which is or may be material in the context of the Notes and which is or may not be known to the general public or the subscriber or purchaser of the Notes. The issuance of the Notes does not create any obligation on the part of the Issuer or any Group company to disclose to the Noteholder of

the Notes any such relationship or information (whether or not confidential) and neither the Issuer nor any other Group company shall be liable to any Noteholder by reason of such non-disclosure.

- (j) The Noteholder acknowledges and agrees to abide by the transfer restrictions on transfers of the Notes set forth in the section entitled "Subscription and Sale" of the Base Prospectus. The Noteholder further acknowledges that it will fully bear any financial or other liability arising from any breaches of such restrictions.
- (k) Where the Noteholder is purchasing the Notes for the account of its clients:
 - (i) the above representations will be deemed to be also made by each of its clients.
 - (ii) the Noteholder further represents that:
 - (A) it has all the necessary licences to act on behalf of clients and is a duly authorised representative of each client and complies with all applicable laws, rules, regulations, directives, or measures in respect of its dealings with its clients in connection with the Notes;
 - (B) it is solely responsible for ascertaining and has ascertained all such information about the clients which is required to meet applicable "know your client" and anti-money laundering laws and rules, and for ascertaining the suitability of the clients for the transactions effected on their behalf by the Noteholder;
 - (C) if the Issuer has received an enquiry from any government department or agency, exchange, clearing house, regulatory or other authority (the Regulators) or is required by any applicable law, rule, regulation, directive or measure to obtain and/ or disclose information regarding identity of the clients of the Noteholder or any dealing or matter relating to the Notes, the Noteholder shall, immediately upon request by the Issuer (which request shall, if the Issuer is so permitted, include the relevant contact details of the Regulators), inform the Issuer or, as the case may be, the Regulators of the identity, address, business or occupation and contact details of the clients; and
 - (D) the Noteholder has not made and will not make any representation, warranty or undertaking in respect of the Notes or the Issuer to anyone.

In addition, in the case of Fund Linked Notes:

- (a) The amounts payable in respect of principal and/or interest (as the case may be) are determined by a formula linked to the value of one or several funds. Movements in the net asset value of the fund(s) may therefore adversely affect the amount of principal and/or interest to be repaid to the Noteholder and may also adversely affect the market value of the Notes prior to maturity. The amount of principal to be repaid on the Maturity Date may be less than the stated principal amount of the Notes or may even be zero.
- (b) The Noteholder has such knowledge and experience in financial and business matters and expertise in assessing credit risk that it is capable of evaluating merits, risks and suitability of investing in the Notes and that it is relying exclusively on its own sources of information and credit analysis with respect to the Notes and the fund or the relevant funds.

- (c) The Noteholder has itself been, and will at all times continue to be, solely responsible for making its own independent appraisal of and investigation into the business, financial condition, prospects, creditworthiness, status and affairs of the Issuer and the fund or each relevant fund.
- (d) In issuing the Notes, the Issuer is not making, and has not made, any representations whatsoever as to the fund or each relevant fund.
- (e) The Issuer and each Group company may, whether by virtue of the types of relationships described above or otherwise, at the date hereof or at any time hereafter, be in possession of information in relation to the fund or each relevant fund which is or may be material in the context of the Notes and which is or may not be known to the general public or the subscriber or purchaser of the Notes. The issuance of the Notes does not create any obligation on the part of the Issuer or any Group company to disclose to the Noteholder of the Notes any such relationship or information (whether or not confidential) and neither the Issuer nor any other Group company shall be liable to any Noteholder by reason of such non-disclosure.
- (f) The Noteholder acknowledges and agrees to abide by the transfer restrictions on transfers of the Notes set forth in the section entitled "Subscription and Sale" of the Base Prospectus. The Noteholder further acknowledges that it will fully bear any financial or other liability arising from any breaches of such restrictions.
- (g) Where the Noteholder is purchasing the Notes for the account of its clients:
 - (i) the above representations will be deemed to be also made by each of its clients.
 - (ii) the Noteholder further represents that:
 - (A) it has all the necessary licences to act on behalf of clients and is a duly authorised representative of each client and complies with all applicable laws, rules, regulations, directives, or measures in respect of its dealings with its clients in connection with the Notes;
 - (B) it is solely responsible for ascertaining and has ascertained all such information about the clients which is required to meet applicable "know your client" and anti-money laundering laws and rules, and for ascertaining the suitability of the clients for the transactions effected on their behalf by the Noteholder;
 - (C) if the Issuer has received an enquiry from any government department or agency, exchange, clearing house, regulatory or other authority (the Regulators) or is required by any applicable law, rule, regulation, directive or measure to obtain and/ or disclose information regarding identity of the clients of the Noteholder or any dealing or matter relating to the Notes, the Noteholder shall, immediately upon request by the Issuer (which request shall, if the Issuer is so permitted, include the relevant contact details of the Regulators), inform the Issuer or, as the case may be, the Regulators of the identity, address, business or occupation and contact details of the clients; and
 - (D) the Noteholder has not made and will not make any representation, warranty or undertaking in respect of the Notes or the Issuer to anyone.

22. ILLEGALITY AND FORCE MAJEURE

This Condition 22 will apply to the Notes if so specified (with such modifications, if any, as may be specified) in the applicable Final Terms.

(a) Notice of Termination

The Issuer shall have the right to terminate the Notes at any time, by giving notice to the Noteholders, if it determines in good faith that:

- (i) its performance under the Notes or the Guarantor's performance under the Guarantee has become unlawful in whole or in part as a result of compliance with any applicable present or future law, rule, regulation, judgment, order, directive or decree of any Government Authority (as defined below) or otherwise; or
- (ii) its performance under the Notes or the Guarantor's performance under the Guarantee is prevented or materially hindered or delayed due to either any act (other than, if applicable, a Market Disruption Event (as defined in the applicable Final Terms)), law, rule, regulation, judgment, order, directive, decree or material legislative or administrative interference of any Government Authority or otherwise, or the occurrence of civil war, disruption, military action, unrest, political insurrection, terrorist activity of any kind, riot, public demonstration and/or protest or any other financial or economic reasons or any other causes or impediments beyond its control;
- (iii) it has become impracticable, illegal or impossible for the Issuer to purchase, sell or otherwise deal (or to continue to do so) in the relevant shares or securities, or such other property or assets as may be specified in the applicable Final Terms, or any options or futures contracts in relation to such shares or securities, or such other property or assets, in order to perform its obligations under the Notes or in respect of any relevant hedging arrangements in connection with the Notes (whether such hedge is held directly by the Issuer or indirectly through an affiliate) under the restriction or limitation of the existing or future law, rule, regulation, judgment, order, directive or decree of any Government Authority or otherwise; or
- (iv) there has occurred any other event beyond the control of the Issuer or the Guarantor which makes it impracticable, illegal or impossible for the Issuer to perform its obligations under the Notes or to effectively hedge its obligations under the Notes (whether such hedge is held directly by the Issuer or indirectly through an affiliate) or, in the case of the Guarantor, for the Guarantor to perform its obligations under the Guarantee.

Government Authority means any nation, state or government, any province or other political subdivision thereof, any body, agency or ministry, any taxing, monetary, foreign exchange or other authority, court, tribunal or other instrumentality and any other entity exercising, executive, legislative, judicial, regulatory or administrative functions of or pertaining to government.

(b) *Payment*

Upon the termination of the Notes as aforesaid, the Issuer will, in respect of each Note, cause to be paid to the Noteholder the Early Redemption Amount. Payment will be made in such manner as shall be notified to the Noteholders in accordance with Condition 17.

23. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Notes, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

24. SEVERABILITY

Should any of the provisions contained in these Terms and Conditions be or become invalid, the validity of the remaining provisions shall not be affected in any way.

25. GOVERNING LAW AND SUBMISSION TO JURISDICTION

(a) *Governing law*

The Agency Agreement, the Deed of Covenant, the Guarantee, the Deed Poll, the Notes, the Receipts, the Coupons and any non-contractual obligations arising out of or in connection with any of the afore mentioned agreements, deeds and documents are governed by, and shall be construed in accordance with, English law.

(b) *Submission to jurisdiction*

The Issuer and the Guarantor agree, for the benefit of the Noteholders, the Receiptholders and the Couponholders, that the courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Notes, the Receipts and/or the Coupons (including a dispute relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts and/or the Coupons) and that accordingly any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with the Notes, the Receipts and the Coupons (including any Proceedings relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts and/or the Coupons) may be brought in such courts.

The Issuer hereby irrevocably waives any objection which it may have now or hereafter to the laying of the venue of any such Proceedings in any such court and any claim that any such Proceedings have been brought in an inconvenient forum and hereby further irrevocably agrees that a judgment in any such Proceedings brought in the English courts shall be conclusive and binding upon it and may be enforced in the courts of any other jurisdiction.

Nothing contained in this Condition 25 shall limit any right to take Proceedings against the Issuer in any other court of competent jurisdiction, nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction, whether concurrently or not.

(c) *Appointment of Process Agent*

Each Issuer and the Guarantor appoints CALYON, London branch at its office for the time being in England at Broadwalk House, 5 Appold Street, London EC2A 2DA as its agent for service of process, and undertakes that, in the event of CALYON, London branch ceasing so to act or ceasing to have an office in England, it will appoint another person as its agent for service of process in England in respect of any Proceedings. Nothing herein shall affect the right to serve proceedings in any other manner permitted by law.

(d) *The Guarantee and other documents*

The Issuer and, where applicable, the Guarantor have in the Agency Agreement, Guarantee, Deed Poll and the Deed of Covenant submitted to the jurisdiction of the English courts and appointed an agent for service of process in terms substantially similar to those set out above.

WHEREAS:

- (A) CALYON, Calyon Financial Products (Guernsey) Limited, Calyon Finance (Guernsey) Limited, Calyon Financial Solutions (together, the **Issuers** and each an **Issuer**) and the Guarantor have entered into a Programme Agreement (the **Programme Agreement**, which expression includes the same as it may be amended, supplemented or restated from time to time) dated the Programme Date with the Dealers named therein under which each Issuer proposes from time to time to issue notes (the **Notes**), such expression to include each Definitive Note issued by an Issuer and each Global Note issued by an Issuer (where **Definitive Note** and **Global Note** have the meanings ascribed thereto in the Conditions (as defined below) and shall include any coupons for interest and any receipts issued in respect of Notes repayable in instalments under a €40,000,000,000 Euro Medium Term Note Programme (the **Programme**));
- (B) each Issuer has executed a Deed of Covenant dated the Programme Date (the **Deed of Covenant**) relating to Global Notes issued by that Issuer pursuant to the Programme Agreement;
- (C) the Issuers and the Guarantor have entered into an Agency Agreement (the **Agency Agreement**, which expression includes the same as it may be amended, supplemented or restated from time to time) dated the Programme Date with the agents named therein;
- (D) in respect of Notes issued on or after the Programme Date, this Guarantee replaces the deed of guarantee (the **Previous Guarantee**) dated 27 September 2007 executed by the Guarantor (this does not affect any Notes issued under the Programme prior to the Programme Date); and
- (E) terms defined in the Terms and Conditions of the Notes as provided in the Base Prospectus relating to the Programme (the **Conditions**) shall have the same meaning when used in this Guarantee.

NOW THIS DEED WITNESSES as follows:

- (1) **Guarantee:** The Guarantor irrevocably and unconditionally guarantees by way of deed poll to each Holder that, if for any reason, an Issuer does not pay any sum payable by it to such Holder in respect of any Note or Coupon or under the Deed of Covenant or, in the event that any Physical Settlement Amounts (as defined in Condition 10 of the Conditions) fail to be delivered under the Conditions, fail to pay and deliver such Physical Delivery Amounts in accordance with the Conditions, as the case may be, (including any premium or any other amounts of whatever nature or additional amounts which may become payable under any of the foregoing) as and when the same shall become due under any of the foregoing, the Guarantor will within 14 Business Days after receipt of written notice pay to such Holder the amount payable by the relevant Issuer to such Holder, or deliver any Physical Delivery Amounts to be paid and delivered in accordance with the Conditions by the relevant Issuer to such Holder. This Guarantee shall apply to all Notes issued on or after the Programme Date and all references herein to Notes shall be construed accordingly. Notes issued

prior to the Programme Date shall continue to have the benefit of the Previous Guarantee or, if applicable, any deed of guarantee preceding the Previous Deed of Guarantee.

- (2) **Guarantor as Principal Debtor:** Without affecting the relevant Issuer's obligations, the Guarantor will be liable under this Guarantee as if it were the sole principal debtor and not merely a surety. Accordingly, it will not be discharged, nor will its liability be affected, by anything which would not discharge it or affect its liability if it were the sole principal debtor (including (a) any time, indulgence, waiver or consent at any time given to the relevant Issuer or any other person, (b) any amendment to any Note, any Coupon or the Deed of Covenant or to any security or other guarantee or indemnity, (c) the making or absence of any demand on the relevant Issuer or any other person for payment, (d) the enforcement or absence of enforcement of any Note, any Coupon, the Deed of Covenant or of any security or other guarantee or indemnity, (e) the release of any such security, guarantee or indemnity, (f) the dissolution, amalgamation, reconstruction or reorganisation of the relevant Issuer or any other person or (g) the illegality, invalidity or unenforceability of or any defect in any provision of any Note, any Coupon or the Deed of Covenant or any of the relevant Issuer's obligations under any of them).
- (3) **Guarantor's Obligations Continuing:** The Guarantor's obligations under this Guarantee are and will remain in full force and effect by way of continuing security until no sum remains payable under any Note, any Coupon or the Deed of Covenant. Furthermore, these obligations of the Guarantor are additional to, and not instead of, any security or other guarantee or indemnity at any time existing in favour of a Holder, whether from the Guarantor or otherwise. The Guarantor irrevocably waives all notices and demands whatsoever.
- (4) **Repayment to the Issuer:** If any payment received by a Holder is, on the subsequent liquidation or insolvency of the relevant Issuer, avoided under any laws relating to liquidation or insolvency, such payment will not be considered as having discharged or diminished the liability of the Guarantor and this Guarantee will continue to apply as if such payment had at all times remained owing by the relevant Issuer.
- (5) **Indemnity:** As a separate and alternative stipulation, the Guarantor unconditionally and irrevocably agrees that any sum expressed to be payable by the relevant Issuer under any Note, any Coupon or the Deed of Covenant but which is for any reason (whether or not now known or becoming known to the relevant Issuer, the Guarantor or any Holder) not recoverable from the Guarantor on the basis of a guarantee will nevertheless be recoverable from it as if it were the sole principal debtor and will be paid by it to the Holder within 14 Business Days after receipt of written notice. This indemnity constitutes a separate and independent obligation from the other obligations in this Guarantee, gives rise to a separate and independent cause of action and will apply irrespective of any indulgence granted by any Holder.
- (6) **Status of Guarantee:** The Guarantee will constitute an unconditional and unsecured obligation of the Guarantor and ranks (save for statutorily preferred exceptions) *pari passu* with any other existing or future unsecured and unsubordinated obligations of the Guarantor.
- (7) **Incorporation of Conditions:** So long as any of the Notes remains outstanding (as defined in the Agency Agreement) the Guarantor will comply with the provisions applicable to it in the Conditions of the Notes as though the same were set out in full herein.
- (8) **Power to execute:** The Guarantor hereby warrants, represents and covenants with each Holder that it has all corporate power, and has taken all necessary corporate or other steps, to enable it to execute, deliver and perform this Guarantee, and that this Guarantee constitutes a legal, valid and binding obligation of the Guarantor in accordance with its terms.
- (9) **Deposit of Guarantee:** This Guarantee shall take effect as a Deed Poll for the benefit of the Holders from time to time and for the time being. This Guarantee shall be deposited with and held by

CACEIS Bank Luxembourg, for the benefit of the Holders until all the obligations of the Guarantor have been discharged in full.

- (10) **Production of Guarantee:** The Guarantor hereby acknowledges the right of every Holder to the production of, and the right of every Holder to obtain (upon payment of a reasonable charge) a copy of, this Guarantee, and further acknowledges and covenants that the obligations binding upon it contained herein are owed to, and shall be for the account of, each and every Holder, and that each Holder shall be entitled severally to enforce the said obligations against the Guarantor.
- (11) **Subrogation:** Until all amounts which may be payable under the Notes, the Coupons and/or the Deed of Covenant have been irrevocably paid in full, the Guarantor shall not by virtue of this Guarantee be subrogated to any rights of any Holder or claim in competition with the Holders against the relevant Issuer.
- (12) **Contracts (Rights of Third Parties) Act 1999:** No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Guarantee, but this does not affect any right or remedy of any person which exists or is available apart from that Act.
- (13) **Governing Law and Jurisdiction:** This Guarantee is governed by and shall be construed in accordance with English law. The Guarantor and each Holder hereby agree that the English courts are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Guarantee and that accordingly any suit, action or proceedings (together referred to as **Proceedings**) arising out of or in connection with this Guarantee shall be brought in such courts.

The Guarantor hereby appoints CALYON, London branch, at its registered office for the time being in England (being presently at Broadwalk House, 5 Appold Street, London EC2A 2DA) as its agent for service of process in England in respect of any Proceedings and undertakes that in the event of it ceasing so to act it will appoint another person as its agent for that purpose.

IN WITNESS whereof this Guarantee has been executed as a deed on behalf of the Guarantor.

BOOK-ENTRY CLEARANCE SYSTEMS

*The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC, Euroclear or Clearstream, Luxembourg (together, the **Clearing Systems**) currently in effect. The information in this section concerning the Clearing Systems has been obtained from sources that the Issuers and the Guarantor believe to be reliable, but none of the Issuers, the Guarantor nor any Dealer takes any responsibility for the accuracy thereof. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. None of the Issuers, the Guarantor nor any other party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Notes held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.*

Book-entry Systems

DTC

DTC has advised the Issuer that it is a limited purpose trust company organised under the New York Banking Law, a "banking organisation" within the meaning of the New York Banking Law, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to Section 17A of the Exchange Act. DTC holds securities that its participants (**Participants**) deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerised book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc. and the National Association of Securities Dealers, Inc. Access to the DTC System is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (**Indirect Participants**).

Under the rules, regulations and procedures creating and affecting DTC and its operations (the **Rules**), DTC makes book-entry transfers of Registered Notes among Direct Participants on whose behalf it acts with respect to Notes accepted into DTC's book-entry settlement system (**DTC Notes**) as described below and receives and transmits distributions of principal and interest on DTC Notes. The Rules are on file with the Securities and Exchange Commission. Direct Participants and Indirect Participants with which beneficial owners of DTC Notes (**Owners**) have accounts with respect to the DTC Notes similarly are required to make book-entry transfers and receive and transmit such payments on behalf of their respective Owners. Accordingly, although Owners who hold DTC Notes through Direct Participants or Indirect Participants will not possess Registered Notes, the Rules, by virtue of the requirements described above, provide a mechanism by which Direct Participants will receive payments and will be able to transfer their interest in respect of the DTC Notes.

Purchases of DTC Notes under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Notes on DTC's records. The ownership interest of each actual purchaser of each DTC Note (**Beneficial Owner**) is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Notes are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Notes, except in the event that use of the book-entry system for the DTC Notes is discontinued.

To facilitate subsequent transfers, all DTC Notes deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of DTC Notes with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Notes; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Notes are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to Cede & Co. If less than all of the DTC Notes within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. will consent or vote with respect to DTC Notes. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the DTC Notes are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the DTC Notes will be made to DTC. DTC's practice is to credit Direct Participants' accounts on the due date for payment in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on the due date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such Participant and not of DTC or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer, disbursement of such payments to Direct Participants is the responsibility of DTC, and disbursement of such payments to the Beneficial Owners is the responsibility of Direct and Indirect Participants.

Under certain circumstances, including if there is an Event of Default under the Notes, DTC will exchange the DTC Notes for definitive Registered Notes, which it will distribute to its Participants in accordance with their proportionate entitlements and which, if representing interests in a Rule 144A Global Note, will be legended as set forth under "*Subscription and Sale*".

Since DTC may only act on behalf of Direct Participants, who in turn act on behalf of Indirect Participants, any Owner desiring to pledge DTC Notes to persons or entities that do not participate in DTC, or otherwise take actions with respect to such DTC Notes, will be required to withdraw its Registered Notes from DTC as described below.

Euroclear and Clearstream, Luxembourg

Euroclear and Clearstream, Luxembourg each holds securities for its customers and facilitates the clearance and settlement of securities transactions by electronic book-entry transfer between their respective account holders. Euroclear and Clearstream, Luxembourg provide various services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear and Clearstream, Luxembourg have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Euroclear and Clearstream, Luxembourg customers are world-wide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect

access to Euroclear and Clearstream, Luxembourg is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

Book-entry Ownership of and Payments in respect of DTC Notes

The Issuer may apply to DTC in order to have any Tranche of Notes represented by a Registered Global Note accepted in its book-entry settlement system. Upon the issue of any such Registered Global Note, DTC or its custodian will credit, on its internal book-entry system, the respective nominal amounts of the individual beneficial interests represented by such Registered Global Note to the accounts of persons who have accounts with DTC. Such accounts initially will be designated by or on behalf of the relevant Dealer. Ownership of beneficial interests in such a Registered Global Note will be limited to Direct Participants or Indirect Participants, including, in the case of any Regulation S Global Note, the respective depositories of Euroclear and Clearstream, Luxembourg. Ownership of beneficial interests in a Registered Global Note accepted by DTC will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars of principal and interest in respect of a Registered Global Note accepted by DTC will be made to the order of DTC or its nominee as the registered holder of such Note. In the case of any payment in a currency other than U.S. dollars, payment will be made to the Exchange Agent on behalf of DTC or its nominee and the Exchange Agent will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial holders of interests in the Registered Global Note in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable Participants' account.

The Issuer expects DTC to credit accounts of Direct Participants on the applicable payment date in accordance with their respective holdings as shown in the records of DTC unless DTC has reason to believe that it will not receive payment on such payment date. The Issuer also expects that payments by Participants to beneficial owners of Notes will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such Participant and not the responsibility of DTC, the Principal Paying Agent, the Registrar or the Issuer. Payment of principal, premium, if any, and interest, if any, on Notes to DTC is the responsibility of the Issuer.

Transfers of Notes Represented by Registered Global Notes

Transfers of any interests in Notes represented by a Registered Global Note within DTC, Euroclear and Clearstream, Luxembourg will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Notes represented by a Registered Global Note to such persons may depend upon the ability to exchange such Notes for Notes in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Notes represented by a Registered Global Note accepted by DTC to pledge such Notes to persons or entities that do not participate in the DTC system or otherwise to take action in respect of such Notes may depend upon the ability to exchange such Notes for Notes in definitive form. The ability of any holder of Notes represented by a Registered Global Note accepted by DTC to resell, pledge or otherwise transfer such Notes may be impaired if the proposed transferee of such Notes is not eligible to hold such Notes through a direct or indirect participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to the Registered Notes described under "*Subscription and Sale*", cross-market transfers between DTC, on the one hand, and directly or indirectly through Clearstream, Luxembourg or Euroclear accountholders, on the other, will be effected by the relevant clearing system in accordance with its rules and through action taken by the Registrar, the Fiscal Principal Paying Agent and any custodian (**Custodian**) with whom the relevant Registered Global Notes have been deposited.

On or after the Issue Date for any Series, transfers of Notes of such Series between accountholders in Clearstream, Luxembourg and Euroclear and transfers of Notes of such Series between participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in Clearstream, Luxembourg or Euroclear and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Clearstream, Luxembourg and Euroclear, on the other, transfers of interests in the relevant Registered Global Notes will be effected through the Registrar, the Principal Paying Fiscal Agent and the Custodian receiving instructions (and, where appropriate, certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Euroclear or Clearstream, Luxembourg accountholders and DTC participants cannot be made on a delivery versus payment basis. The securities will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, Clearstream, Luxembourg and Euroclear have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Registered Global Notes among participants and accountholders of DTC, Clearstream, Luxembourg and Euroclear. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuers, the Guarantor, the Agents or any Dealer will be responsible for any performance by DTC, Clearstream, Luxembourg or Euroclear or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Notes represented by Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial interests.

TAXATION

All prospective Noteholders should seek independent advice as to their tax position.

Taxation in France

Under the provisions of French tax laws currently in force, payments by CALYON and CFS as Issuers in respect of Notes constituting "*obligations*" under French law or "*titres de créances négociables*" within the meaning of the ruling (FP) 2007/59 of the *Direction générale des impôts* dated 8 January 2008 or other debt securities considered by the French tax authorities as falling into similar categories will be made without withholding or deduction for, or on account of, taxes imposed by or on behalf of the Republic of France, as provided by article 131 *quater* of the French *Code général des impôts*.

Taxation in Guernsey

Until 31 December 2007 CFP and CFG were granted tax exempt status in Guernsey pursuant to the Income Tax (Exempt Bodies) (Guernsey) Ordinance 1989. On 30 June 2006 the States of Guernsey resolved to reduce the general rate of income tax paid by Guernsey companies to 0 per cent.. Accordingly "The Income Tax (Zero 10) (Guernsey) Law, 2007 was approved by the States of Guernsey in September 2007 and the general rate of income tax to be paid by Guernsey companies was reduced to 0 per cent. with effect from the tax year 2008 and subsequent years. The legislation also abolished the exempt company status with effect from the 1 January 2008 and introduced a 10 per cent. company intermediate rate which applies to certain activities carried on by banks licensed under the Banking Supervision (Bailiwick of Guernsey) Law, 1994 and regulated by the Guernsey Financial Services Commission. The 10 per cent. company intermediate rate also applies in relation to the profits arising from the provision of credit facilities by any business in the ordinary course of its business. The activities of CFP and CFG will not be subject to the company intermediate rate.

On the basis that there is no paying agent in Guernsey for the purposes of the EU Savings Tax Directive, no withholding tax or deduction will be made on payments of principal or interest in respect of the Notes issued by CFP or CFG.

Provided a Noteholder does not carry on business in Guernsey and is not resident in Guernsey for Guernsey tax purposes, he will not suffer any charge to Guernsey income tax on any interest payments received from CFP and CFG, nor will such a holder be required to file or make any return to the Income Tax Authority in Guernsey.

Capital Gains Tax, Wealth Tax, Capital Transfer Tax and Estate or Inheritance Tax do not exist under current Guernsey law and as such no liability to tax will arise on the issue, transfer, realisation or redemption of Notes issued by CFP and CFG, nor is any stamp duty or similar tax payable in Guernsey on the issue or transfer of such Notes.

A Noteholder who is resident for tax purposes in Guernsey or who carries on a trade in Guernsey through a branch or agency (to which the Notes are attributable) may be subject to Guernsey income tax on the interest paid in respect of the Notes, and should seek independent tax advice, if necessary, on the liability to tax on, and necessity to disclose, the relevant amounts.

Taxation in Italy

The statements herein regarding taxation are based on the laws in force in the Republic of Italy as at the date of this Base Prospectus and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to subscribe for, purchase, own or dispose of the Notes and does not purport to deal with the tax consequences applicable to all categories of

investors, some of which (such as dealers in securities or commodities) may be subject to special rules. Prospective purchasers of the Notes are advised to consult their own tax advisers concerning the overall tax consequences of their ownership of the Notes.

Tax Treatment of the Notes

Legislative Decree No. 239 of 1 April 1996, as a subsequently amended, (the **Decree No. 239**) provides for the applicable regime with respect to the tax treatment of interest, premium and other income (including the difference between the redemption amount and the issue price) from notes falling within the category of bonds (*obbligazioni*) or debentures similar to bonds (*titoli similari alle obbligazioni*) issued, *inter alia*, by non-Italian resident issuers.

Italian Resident Noteholder

Where an Italian resident Noteholder is (i) an individual not engaged in an entrepreneurial activity to which the Notes are connected (unless he has opted for the application of the *risparmio gestito regime* – see “*Capital Gains Tax*” below), (ii) a non-commercial partnership, (iii) a non-commercial private or public institution, or (iv) an investor exempt from Italian corporate income taxation, interest, premium and other income relating to the Notes, accrued during the relevant holding period, are subject to a withholding tax, referred to as “*imposta sostitutiva*”, levied at the rate of 12.50 per cent. In the event that the Noteholders described under (i) and (iii) above are engaged in an entrepreneurial activity to which the Notes are connected, the *imposta sostitutiva* applies as a provisional tax.

Where an Italian resident Noteholder is a company or similar commercial entity or a permanent establishment in Italy of a foreign company to which the Notes are effectively connected and the Notes are deposited with an authorised intermediary, interest, premium and other income from the Notes will not be subject to *imposta sostitutiva*, but must be included in the relevant Noteholder's income tax return and are therefore subject to general Italian corporate taxation (and, in certain circumstances, depending on the “status” of the Noteholder, also to IRAP - the regional tax on productive activities).

Under the current regime provided by Law Decree No. 351 of 25 September 2001 converted into law with amendments by Law No. 410 of 23 November 2001, as amended by Law Decree No. 269 of 30 September 2003 converted into Law No. 326 of 24 November 2003, as clarified by the Italian Ministry of Economics and Finance through Circular No. 47/E of 8 August 2003, and Circular No. 38/E of 5 August 2004, payments of Interest, premiums or other proceeds in respect of the Notes made to Italian resident real estate investment funds established pursuant to Article 37 of Legislative Decree No. 58 of 24 February 1998, or pursuant Article 14-*bis* of Law No. 86 of 25 January 1994 are subject neither to *imposta sostitutiva* nor to any other income tax in the hands of a real estate investment fund. However, Law Decree No. 112 of 25 June 2008, converted with amendments into Law No. 133 of 6 August 2008, has introduced a 1 per cent. property tax applying on real estate investment funds' net value, where (i) their units are not expected to be listed on regulated markets and (ii) their equity is less than € 400,000,000, if:

- (a) there are less than 10 unitholders, or
- (b) funds are reserved to institutional investors and speculative funds whose units are held by individuals for more than 2/3, by trusts or by other companies referable to individuals.

Where an Italian resident Noteholder is an open-ended or closed-ended investment fund (the **Fund**) or a SICAV, and the Notes are held by an authorized intermediary, interest, premium and other income accrued during the holding period on the Notes will not be subject to *imposta sostitutiva*, but to a 12.5 per cent. annual substitute tax (**Collective Investment Fund Tax**). The 12.5 per cent. substitute tax is calculated on the net result accrued at the end of the tax period.

Where an Italian resident Noteholder is a pension fund (subject to the regime provided for by article 17 of the Legislative Decree No. 252 of December 5, 2005) and the Notes are deposited with an authorised

intermediary, interest, premium and other income relating to the Notes and accrued during the holding period will not be subject to *imposta sostitutiva*, but must be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to a 11.00 per cent. substitute tax.

Pursuant to Decree No. 239, *imposta sostitutiva* is applied by banks, SIMs, fiduciary companies, SGRs, stockbrokers and other entities identified by a decree of the Ministry of Economics and Finance (each an **Intermediary**) as subsequently amended and integrated.

An Intermediary must (i) be resident in Italy or be a permanent establishment in Italy of a non-Italian resident financial intermediary and (ii) intervene, in any way, in the collection of interest or in the transfer of the Notes. For the purpose of the application of the *imposta sostitutiva*, a transfer of Notes includes any assignment or other act, either with or without consideration, which results in a change of the ownership of the relevant Notes or in a change of the Intermediary with which the Notes are deposited.

Where the Notes are not deposited with an Intermediary, the *imposta sostitutiva* is applied and withheld by any entity paying interest to a Noteholder.

Non-Italian Resident Noteholders

No Italian *imposta sostitutiva* is applied on payments to a non-Italian resident Noteholder of interest or premium relating to the Notes provided that (i) the Notes are traded on regulated markets or (ii) the Notes are held in Italy and the non-Italian resident Noteholder declares itself to be a non-Italian resident according to Italian tax regulations.

Early Redemption

Without prejudice to the above provisions, in the event that Notes having an original maturity of at least 18 months are redeemed, in full or in part, prior to 18 months from their issue date, Italian resident Noteholders will be required to pay, by way of a withholding to be applied by the Italian intermediary responsible for payment of interest or the redemption of the Notes, an amount equal to 20 per cent. of the interest and other amounts accrued up to the time of the early redemption.

Atypical securities

Interest payments relating to Notes that are not deemed to fall within the category of bonds (*obbligazioni*) or debentures similar to bonds (*titoli similari alle obbligazioni*) may be subject to a withholding tax, levied at the rate of 27 per cent. For this purpose, debentures similar to bonds are securities that incorporate an unconditional obligation to pay, at redemption, an amount not lower than their nominal value.

The 27 per cent. withholding tax mentioned above does not apply to payments made to a non-Italian resident Noteholder and to an Italian resident Noteholder which is (i) a company or similar commercial entity (including the Italian permanent establishment of foreign entities), (ii) a commercial partnership, or (iii) a commercial private or public institution.

Capital gains tax

Any gain obtained from the sale or redemption of the Notes would be treated as part of taxable income (and, in certain circumstances, depending on the "status" of the Noteholder, also as part of the net value of production for IRAP purposes) if realised by an Italian company or a similar commercial entity (including the Italian permanent establishment of foreign entities to which the Notes are connected) or Italian resident individuals engaged in an entrepreneurial activity to which the Notes are connected.

Where an Italian resident Noteholder is an individual not holding the Notes in connection with an entrepreneurial activity and certain other persons, any capital gain realised by such Noteholder from the sale

or redemption of the Notes would be subject to an *imposta sostitutiva*, levied at the current rate of 12.5 per cent. Noteholders may set off losses with gains.

In respect of the application of the *imposta sostitutiva*, taxpayers may opt for one of the three regimes described below.

Under the tax declaration regime (*regime della dichiarazione*), which is the default regime for Italian resident individuals not engaged in entrepreneurial activity to which the Notes are connected, the *imposta sostitutiva* on capital gains will be chargeable, on a cumulative basis, on all capital gains, net of any incurred capital loss, realised by the Italian resident individual during any given tax year. Italian resident individuals holding Notes not in connection with an entrepreneurial activity must indicate the overall capital gains realised in any tax year, net of any relevant incurred capital loss, in the annual tax return and pay *imposta sostitutiva* on such gains together with any balance of income tax due for such year. Capital losses in excess of capital gains may be carried forward against capital gains realised in any of the four succeeding tax years.

As an alternative to the tax declaration regime, Italian resident individual Noteholders holding the Notes not in connection with an entrepreneurial activity may elect to pay the *imposta sostitutiva* separately on capital gains realised on each sale or redemption of the Notes (the *risparmio amministrato* regime). Such separate taxation of capital gains is allowed subject to (i) the Notes being deposited with Italian banks, SIMs or certain authorised financial intermediaries; and (ii) an express election for the *risparmio amministrato* regime being made punctually in writing by the relevant Noteholder. The depository is responsible for accounting for *imposta sostitutiva* in respect of capital gains realised on each sale or redemption of the Notes (as well as in respect of capital gains realised upon the revocation of its mandate), net of any incurred capital loss, and is required to pay the relevant amount to the Italian tax authorities on behalf of the taxpayer, deducting a corresponding amount from the proceeds to be credited to the Noteholder or using funds provided by the Noteholder for this purpose. Under the *risparmio amministrato* regime, where a sale or redemption of the Notes results in a capital loss, such loss may be deducted from capital gains subsequently realised, within the same securities management, in the same tax year or in the following tax years up to the fourth. Under the *risparmio amministrato* regime, Noteholder is not required to declare the capital gains in its annual tax return.

Any capital gains realised by Italian resident individuals holding the Notes not in connection with an entrepreneurial activity who have entrusted the management of their financial assets, including the Notes, to an authorised intermediary and who have opted for the so-called "*risparmio gestito*" regime will be included in the computation of the annual increase in value of the managed assets accrued, even if not realised, at year end, subject to a 12.5 per cent. substitute tax, to be paid by the managing authorised intermediary. Under the *risparmio gestito* regime, any depreciation of the managed assets accrued at year end may be carried forward against the increase in value of the managed assets accrued in any of the four succeeding tax years. Under the *risparmio gestito* regime, the Noteholder is not required to declare the capital gains realised in its annual tax return.

Any capital gains realised by a Noteholder which is an Italian open-ended or a closed-ended investment fund or a SICAV will be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to Collective Investment Fund Tax.

Any capital gains realised by a Noteholder which is an Italian pension fund (subject to the regime provided for by article 17 of the Legislative Decree No. 252 of December 5, 2005) will be included in the result of the relevant portfolio accrued at the end of the tax period, to be subject to the 11 per cent. substitute tax.

Capital gains realised by non-Italian resident Noteholders from the sale or redemption of Notes are not subject to the *imposta sostitutiva* provided that the Notes (i) are transferred on regulated markets, or (ii) if not transferred on regulated markets, are held outside Italy.

Inheritance and gift taxes

Pursuant to Law Decree No. 262 of 3 October, 2006 (“*Decree No. 262*”), converted into Law No. 286 of 24 November, 2006, as subsequently amended, the transfers of any valuable asset (including shares, bonds or other securities) as a result of death or donation are taxed as follows:

- (i) transfers in favour of spouses and direct descendants or direct ancestors are subject to an inheritance and gift tax applied at a rate of 4 per cent. on the value of the inheritance or the gift exceeding €1,000,000;
- (ii) transfers in favour of relatives to the fourth degree or relatives-in-law to the third degree are subject to an inheritance and gift tax at a rate of 6 per cent. on the entire value of the inheritance or the gift. Transfers in favour of brothers/sisters are subject to the 6 per cent. inheritance and gift tax on the value of the inheritance or the gift exceeding € 100,000; and
- (iii) any other transfer is subject to an inheritance and gift tax applied at a rate of 8 per cent. on the entire value of the inheritance or the gift.

Transfer Tax

Article 37 of Law Decree No 248 of 31 December 2007, converted into Law No. 31 of 28 February 2008, published on the Italian Official Gazette No. 51 of 29 February 2008, has abolished the Italian transfer tax, provided for by Royal Decree No. 3278 of 30 December 1923, as amended and supplemented by the Legislative Decree No. 435 of 21 November 1997.

Following the repeal of the Italian transfer tax, as from 31 December 2007 contracts relating to the transfer of securities are subject to the registration tax as follows: (i) public deeds and notarized deeds are subject to fixed registration tax at rate of EUR 168; (ii) private deeds are subject to registration tax only in case of use or voluntary registration.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (**EU Savings Directive**), Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

Implementation in Italy of the EU Savings Directive

Italy has implemented the EU Savings Directive through Legislative Decree No. 84 of 18 April 2005 (**Decree No. 84**). Under Decree No. 84, subject to a number of important conditions being met, in the case of interest paid to individuals which qualify as beneficial owners of the interest payment and are resident for tax purposes in another Member State, Italian qualified paying agents shall not apply the withholding tax and shall report to the Italian Tax Authorities details of the relevant payments and personal information on the individual beneficial owner. Such information is transmitted by the Italian Tax Authorities to the competent foreign tax authorities of the State of residence of the beneficial owner.

Taxation in Luxembourg

The following summary is of a general nature and is included herein solely for information purposes. It is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be

construed to be, legal or tax advice. Prospective investors in the Notes should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Withholding Tax

(i) Non-resident holders of Notes

Under Luxembourg general tax laws currently in force and subject to the laws of 21 June 2005 (the **Laws**) mentioned below, there is no withholding tax on payments of principal, premium or interest made to non-resident holders of Notes, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of the Notes held by non-resident holders of Notes.

Under the Laws implementing the EC Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments and ratifying the treaties entered into by Luxembourg and certain dependent and associated territories of EU Member States (the **Territories**), payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the immediate benefit of an individual beneficial owner or a residual entity, as defined by the Laws, which is a resident of, or established in, an EU Member State (other than Luxembourg) or one of the Territories will be subject to a withholding tax unless the relevant recipient has adequately instructed the relevant paying agent to provide details of the relevant payments of interest or similar income to the fiscal authorities of his/her/its country of residence or establishment, or, in the case of an individual beneficial owner, has provided a tax certificate issued by the fiscal authorities of his/her country of residence in the required format to the relevant paying agent. Where withholding tax is applied, it will be levied at a rate of 20 per cent. for a three-year period starting 1 July 2008 and at a rate of 35 per cent. thereafter. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Laws would at present be subject to withholding tax of 20 per cent.

(ii) Resident holders of Notes

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005 (the **Law**) mentioned below, there is no withholding tax on payments of principal, premium or interest made to Luxembourg resident holders of Notes, nor on accrued but unpaid interest in respect of Notes, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Notes held by Luxembourg resident holders of Notes.

Under the Law payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the benefit of an individual beneficial owner who is a resident of Luxembourg will be subject to a withholding tax of 10 per cent. Such withholding tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Law would be subject to withholding tax of 10 per cent.

Taxation in Sweden

The following summary of certain tax issues that may arise as a result of holding notes is based on current Swedish tax legislation and is intended only as general information for holders of notes, who are resident or domiciled in Sweden for tax purposes. This description does not deal comprehensively with all tax consequences that may occur for holders of notes, nor does it cover the specific rules where notes are held by a partnership or are held as current assets in a business operation. Special tax consequences that are not described below may also apply for certain categories of taxpayers, including investment companies, mutual funds and persons who are not resident or domiciled in Sweden. It is recommended that prospective

applicants for notes consult their own tax advisers for information with respect to the special tax consequences that may arise as a result of holding notes, including the applicability and effect of foreign income tax rules, provisions contained in double taxation treaties and other rules which may be applicable.

Taxation of individuals resident in Sweden

(a) *Capital gains and losses*

Individuals and estates of deceased Swedish individuals, who sell their notes are subject to capital gains taxation. The current tax rate is 30 per cent. of the gain. The capital gain or loss is equal to the difference between the sales proceeds after deduction of sales costs and the acquisition cost of the notes. The acquisition cost is calculated according to the so-called average method. This means that the costs of acquiring all notes of the same type and class are added together and calculated collectively, with respect to changes to the holding. Alternatively, the so-called standard rule under which the acquisition cost is deemed to be the equivalent of 20 per cent. of the net sales price may be applied on the disposal of listed notes taxed in the same manner as shares. A note should be regarded as listed for Swedish tax purposes if it is listed on the Regulated Market of the Luxembourg Stock Exchange or any other foreign market that is considered as a stock exchange under Swedish tax law.

As a main rule, 70 per cent. of a capital loss is deductible against any other taxable income derived from capital. Capital losses on listed notes that are taxed in the same manner as shares are, however, fully deductible against taxable capital gains on such assets or capital gains on listed as well as non-listed shares in Swedish limited liability companies and foreign legal entities. Any excess amount is deductible by 70 per cent. according to the main rule.

Moreover, capital losses on listed notes qualifying as Swedish receivables (i.e. denominated in SEK) are currently fully deductible in the capital income category.

If a deficit arises in the income from capital category, a reduction of the tax on income from employment and from business, as well as the tax on real estate, is allowed. The tax reduction allowed amounts to 30 per cent. of any deficit not exceeding SEK 100,000 and 21 per cent. of any deficit in excess of SEK 100,000. Deficits may not be carried forward to a subsequent fiscal year.

(b) *Interest*

Interest is subject to tax at a rate of 30 per cent. The tax liability arises when the interest is actually paid, in accordance with the so-called cash method.

(c) *Classification of various notes and return on such notes for tax purposes*

(i) *Zero-coupon bonds*

No formal interest accrues on zero-coupon bonds.

The profit from a redemption of a zero-coupon bond is regarded as interest, subject to tax at the time of redemption. However, the appreciation in value is regarded as interest compensation, should the zero-coupon bond be disposed of prior to maturity. If there is a loss on the instrument, this is deductible as a capital loss in accordance with the principles referred to above.

(ii) *Currency linked notes*

Currency linked notes (i.e. notes with a return deriving from currency) are taxed under the capital income category. An appreciation or depreciation in value is recognized at disposal or redemption as a capital gain or loss in accordance with the principles referred to above.

(iii) Commodity linked notes

Commodity linked notes (i.e. notes with a return deriving from commodity) constitute receivables and are taxed as such under the capital income category. An appreciation or depreciation in value is recognized at disposal or redemption as a capital gain or loss in accordance with the principles referred to above.

(iv) Equity-linked notes

Equity-linked notes (i.e. notes with a return deriving from equity) constitute notes that are taxed in the same manner as shares.

Any fixed, guaranteed return is taxed as interest and does not form part of any capital gain. Floating payments based on the development of e.g. an index are taxed as capital income.

Upon disposal prior to maturity an annual guaranteed return shall be regarded as interest compensation. Any remaining amount shall be treated according to the capital income category. The acquisition cost for the instrument is calculated to equal the difference between the price paid for the note and any interest compensation amount.

At redemption, a yearly guaranteed return is regarded as interest, whereas any remaining part of a yearly floating return shall be treated as income from other assets. The remainder is taxed as a capital gain or loss.

(v) Combination notes

Notes with a return deriving from a combination of equity and other assets (**Combination notes**), should according to the Supreme Administrative Court be taxed in the same manner as shares if more than 50 per cent. of the return on the note derives from equity. If more than 50 per cent. of the return on the note derives from other assets than equity the note will be treated as a receivable for tax purposes.

(d) *Withholding of tax*

There is no Swedish withholding tax (*källskatt*) applicable on payments made by the Issuer in respect of the notes. Sweden operates a system of preliminary tax (*preliminärskatt*) to secure payment of taxes. In the context of the Securities a preliminary tax of 30 per cent. will be deducted from all payments of interest in respect of the notes made to any individuals or estates that are resident in Sweden for tax purposes provided the paying entity is subject to reporting obligations. Depending on the relevant holder's overall tax liability for the relevant fiscal year the preliminary tax may contribute towards, equal or exceed the holder's overall tax liability with any balance subsequently to be paid by or to the relevant holder, as applicable.

(e) *Stamp duty*

There is no stamp duty on the issuing, transfer or redemption of securities in Sweden.

Taxation of Swedish legal entities

Limited liability companies and other legal entities, except for estates of deceased Swedish individuals, are taxed on all income (including income from the sale of notes) as income from business activities at a flat rate of 28 per cent. Regarding the calculation of a capital gain or loss and the acquisition cost, see "Taxation of individuals resident in Sweden" above. However, interest income is taxed on an accruals basis.

Capital losses on notes taxed in the same manner as shares incurred by a corporate holder may only be offset against taxable capital gains on shares or such notes. Such capital losses may also, under certain circumstances, be deductible against capital gains on shares and notes taxed in the same manner as shares within the same group of companies, provided the requirements for group contributions (tax consolidation) are met.

Capital losses on notes taxed in the same manner as shares which are not deducted against capital gains within a certain year, may be carried forward and offset against taxable capital gains on shares and notes taxed in the same manner as shares in the future.

As mentioned above, there is no stamp duty on the issuing, transfer or redemption of securities in Sweden.

Taxation in Norway

The following is a summary of certain Norwegian tax consequences for holders of the Norwegian Notes who are resident in Norway for tax purposes. The summary is based on legislation as at the date of this document and is intended to provide general information only. The tax treatment of each Noteholder partly depends on the holder's specific situation. Each investor should consult a tax adviser as to the tax consequences relating to their particular circumstances resulting from holding Norwegian Notes.

Any changes to applicable tax laws may have a retrospective effect.

Taxation of return on the Notes prior to disposal

Any kind of return received on the Notes prior to the disposal is taxable as "ordinary income" subject to the flat rate of 28%. Return on the Notes is taxed on accruals basis (i.e. regardless of when the return is actually paid).

Taxation upon disposal or redemption of the Notes

Settlement at the end of the term as well as prior disposal is treated as realisation of the Notes and will trigger a capital gain or loss. Capital gains will be taxable as "ordinary income", subject to the flat rate of 28%. Losses will be deductible in the Noteholder's "ordinary income", taxed at the same tax rate.

Any capital gain or loss is computed as the difference between the amount received by the Noteholder on realisation and the cost price of the Notes. The cost price is equal to the price for which the Noteholder acquired the Notes. Costs incurred in connection with the acquisition and realisation of the Notes may be deducted from the Noteholder's taxable income in the year of the realisation.

Norwegian withholding tax

Payments on the Notes will not be subject to Norwegian withholding tax.

Net wealth taxation

The value of the Notes at the end of each income year will be included in the computation of the Noteholder's taxable net wealth for municipal and state net wealth tax purposes. Listed Notes are valued at their quoted value on 1 January in the assessment year, while non-listed Notes are valued at their estimated market value on 1 January in the assessment year. The marginal tax rate is currently 1.1%.

Limited companies and similar entities are not subject to net wealth taxation.

Transfer taxes etc. – VAT

There is currently no Norwegian transfer taxes, stamp duty or similar taxes connected to purchase, disposal or settlement of the Notes. Further, there is no VAT on transfer of the Notes.

EU Directive on the Taxation of Savings Income

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required, to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

This Directive has been implemented in French law under Article 242 *ter* of the French *Code général des impôts* by a law dated 30 December 2003 amending the 2003 budget (*Loi de finances rectificative pour 2003*) and by a law dated 30 December 2004 amending the 2004 budget (*Loi de finances rectificative pour 2004*).

SUBSCRIPTION AND SALE

The Dealers have, in an amended and restated programme agreement dated 26 September 2008 (the **Programme Agreement**), agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under "*Form of the Notes*" and "*Terms and Conditions of the Notes*". In the Programme Agreement, the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with the establishment and any future update of the Programme and the issue of Notes under the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith. For the avoidance of doubt, references to the Notes include both the Notes and the Guarantee, where applicable.

Transfer Restrictions

As a result of the following restrictions, purchasers of Notes in the United States or that are U.S. persons are advised to consult legal counsel prior to making any purchase, offer, sale, resale or other transfer of such Notes.

Selling Restrictions

The following selling restrictions may be modified by the relevant Issuer and the relevant Dealers following a change in the relevant law, regulation or directive and in certain other circumstances as may be agreed between the relevant Issuer and the relevant Dealers. Any such modification will be set out in the Final Terms and (if applicable) the subscription agreement in respect of the Tranche to which it is related or in a supplement to this Base Prospectus. For the avoidance of doubt, references to the Notes herein include both the Notes and the Guarantee.

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions

exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

In addition, each of CFP, CFG and CFS has not been and will not be registered as an investment company under the Investment Company Act by virtue of Section 3(c)(7) of the Investment Company Act which, in general, excludes from the definition of an investment company any issuer whose outstanding securities are owned exclusively by persons who are "qualified purchasers" (as defined in Section 2(a)(51) of the Investment Company Act and the rules and regulations thereunder) and which has not made and does not propose to make a public offering of its securities. Accordingly, any transfer of Notes issued by CFP, CFG and CFS will also need to comply with the provisions of Section 3(c)(7) of the Investment Company Act.

The Notes in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 as amended and regulations thereunder.

In connection with any Notes which are offered or sold outside the United States in reliance on an exemption from the registration requirements of the Securities Act provided under Regulation S (**Regulation S Notes**), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it will not offer, sell or deliver Notes (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution, as determined and certified by the relevant Dealer or, in the case of an issue of Notes on a syndicated basis, the relevant lead manager, of all Notes of the Tranche of which such Notes are a part, within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer has further agreed, and each further Dealer appointed under the Programme will be required to agree, that it will send to each dealer to which it sells any Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Until 40 days after the commencement of the offering of any Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

Dealers may arrange for the resale of Notes to QIBs pursuant to Rule 144A or to IAIs pursuant to Section 4(2) of the Securities Act and, in the case of Notes issued by CFP, CFG and CFS, to persons who are also QPs as defined for the purposes of Section 3(c)(7) of the Investment Company Act, and each such purchaser of Notes is hereby notified that the Dealers may be relying on the exemption from the registration requirements of the Securities Act provided by Rule 144A. The minimum aggregate principal amount of Notes which may be purchased by a QIB pursuant to Rule 144A is U.S.\$100,000 and the minimum aggregate principal amount which may be purchased by an IAI is U.S.\$500,000 (or, in each case, the approximate equivalent thereof in any other currency). To the extent that each Issuer is not subject to or does not comply with the reporting requirements of Section 13 or 15(d) of the Exchange Act or the information furnishing requirements of Rule 12g3-2(b) thereunder, such Issuer has agreed to furnish to holders of Notes and to prospective purchasers designated by such holders, upon request, such information as may be required by Rule 144A(d)(4).

Each issuance of physically settled Notes, Partly Paid Notes, Credit Linked Notes, Commodity Linked Notes, Equity Linked Notes, Index Linked Notes or Dual Currency Notes shall be subject to such additional U.S. selling and transfer restrictions as the Issuer and the relevant Dealer may agree as a term of the issuance and purchase of such Notes, which additional selling restrictions shall be set out in the applicable Final Terms.

Public Offer Selling Restrictions under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a **Relevant Member State**), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of Notes which are subject of the offering contemplated by this Base Prospectus as contemplated by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the final terms in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a **Non-exempt Offer**), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable;
- (b) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (c) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000 and (3) an annual net turnover of more than €50,000,000, all as shown in its last or, in the case of Sweden, last two annual or consolidated accounts;
- (d) at any time to fewer than 100 natural or legal person (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (e) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in (b) to (e) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "offer of Notes to the public" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression **Prospectus Directive** means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.
